## Partner With Us To Support Your Patients' Recovery at Home

As your trusted home care partner with expertise in senior care, Sunnyside Home Care offers a comprehensive range of services tailored to support your patients' recovery and well-being.

### Why partner with Sunnyside Community Services Home Care?

- **Continuous care:** Available 24/7 to ensure reliable home support for your patients.
- **Multilingual services:** Our caregivers collectively speak over 20 different languages.
- **Specialized care:** Our aides are trained in Alzheimer's and dementia care for optimal support.
- **Proven results:** In a recent survey, 91% of clients found that our home care services were satisfactory.
- **Medicaid & long-term care:** We assist with Medicaid applications and long-term care planning to ease the process for families.

### Our Home Health Aides provide compassionate assistance with:

- All activities of daily living, including personal care (bathing, dressing), grocery shopping and housekeeping.

### Comprehensive services for seniors and their families by our affiliates:

- **Dementia care:** Personalized daycare services for patients with dementia or Alzheimer's.
- **Case management** with home-delivered meals.
- **Caregiver support services:** Counseling and resources to help families care for their loved ones.
