

## 70th Street Sewer Upgrades Project

### 70<sup>th</sup> Street Sewer Upgrades

The New York City Department of Design and Construction (NYCDDC) continues to manage construction project #SE859 - Replacement of Combined Sewers and Water Main in 70th Street.

Scope of work includes:

- Upgrade public utilities
- New water mains
- Perform Micro tunneling
- Reconstruct combine sewers
- Install Catch Basin
- Curbs and Sidewalks
- Install new roadway surface

This \$101 Million-dollar capital investment in Community Board #2 and #5, Queens, is anticipated to be completed by Summer 2023.

#### Work Completed to Date:

- Micro tunneling operation
- Completed construction of Special Manholes No. 1 through 8
- Completed installation of Catch Basins
- Completed Watermain and Sewer installation
- Installation of sidewalk, curb, permanent asphalt, and concrete road base on Calamus Ave, 70<sup>th</sup> Street (intersection with cross streets), 54<sup>th</sup> Avenue, 71<sup>st</sup> Street and Grand Avenue

#### Proposed Work Schedule/January 2023 – April 2023

- Continue installation of 12' x 8' Box Sewer on 69th Street under LIRR – Permeation Grouting
- Restoration of Curb/Sidewalk and Road base on Mazeau Street between Grand Avenue and Queen Expy Service Road

#### Special Needs

Individuals with special needs who may be uniquely impacted by this project should contact the project's Community Construction Liaison, as soon as possible, to make them aware of your situation. DDC will work with you to attempt to minimize the inconvenience as much as possible.

#### Trash Collection

Proper trash collection can be a challenge on a project as large as this but if everyone is considerate it can be managed with a modicum of disruption. Please pack your trash properly to avoid easy breakage and/or spill over. Put it in the designated areas as close to collection time as possible. If you use a private carter, ensure your trash collection occurs in a timely fashion. If you aren't sure where to bring your trash, please call the CCL.

### Project # SE859

**Permanent Asphalt – Grand Avenue between 71<sup>st</sup> Street and Mazeau Street**

#### Community Impacts

During construction hours, you can expect the following:

- Increased levels of dust, noise, and heavy equipment.
- Vehicular travel lane closures will be required, as well as detours. Warning signs will be posted in advance.
- Parking and driveway/loading dock restrictions, signs will be posted within the affected areas.
- Emergency vehicle access and pedestrian access to sidewalk and buildings will be maintained at all times.

#### Community Construction Liaison (CCL)

The DDC has assigned Tonia Walker, as the Community Construction Liaison (CCL) for this project. Please contact Tonia for any project related inquiries/concerns you may have:

**Phone: 347-782-3885 / Fax: 718-806-1045**

**Email: Maspethccl@gmail.com**

Field Office: 57-12 Grand Avenue, 2<sup>nd</sup> Floor, Queens, NY 11378

#### Newsletter Distribution

Construction Newsletters for this project are distributed regularly within the project area and to Community Board #2 Queens and Community Board #5 Queens
