

## Proposed Changes to MTA Fares

Hearings will be held on proposed changes to fares virtually via Zoom and in person at the locations, dates and times noted below. The public is invited to comment on the proposed changes, which are summarized below and pertain, as applicable, to the fares of the New York City Transit (NYCT) and its subsidiary, the Manhattan and Bronx Surface Transit Operating Authority (MaBSTOA), the MTA Bus Company (MTA Bus), and the Staten Island Rapid Transit Operating Authority (SIR); Long Island Rail Road (LIRR); and Metro-North Railroad (Metro-North).

The fare proposals allow for a range of options to be considered and fare increases may be less than the maximum amounts specified. Following the hearings, after considering public comment, the Board of the MTA and its affiliated agencies will decide which potential fare changes to adopt.

Space limitations prevent newspaper publication of each proposed new fare. For more details on these potential changes, please visit <https://new.mta.info/2023-fare-hearings>, consult information posted at MTA stations and on digital display boards, or call the Public Hearing Hotline at 646-252-6777.
