Queens Botanical Garden is an urban oasis where people, plants and cultures are celebrated through inspiring gardens, innovative educational programs and demonstrations of environmental stewardship.

Queens Botanical Garden (QBG) is a private non-profit cultural institution located on 39 acres of New York City public land in Flushing, New York. In FY19, the Garden served over 263,000 visitors, including 34,856 schoolchildren. A recently completed visitor survey reveals that 45% of visitors speak a language other than English at home. This fact underscores the importance of the mission and the challenges and opportunities QBG faces daily in creating programs, exhibits and landscapes that serve the needs of people who live in and visit one of the most ethnically diverse counties in the nation.
