

SEEKING VOLUNTEERS

BE A FRIENDLY FACE, A WARM VOICE, A HELPING HAND

We believe we can make a difference for older adults. By connecting older community members with volunteers, three distinct programs at SCS work together to reduce social isolation among our neighbors as they age.

Volunteer Program Options

Friendly Visiting: Share conversation, games, and fun with an older adult in person

Pet Pals: Help a senior care for their pet by providing food, walks, and play time

Older Adult Chat: Remotely connect with an older adult by phone

Friendly Visiting, Senior Chat, or Pet Pals Volunteers must meet the following requirements

- 1 Commit to engaging once a week with an older adult and /or their pet
- 2 Live in the New York tri-state area
- 3 Be over 18 years old
- 4 Participate in a Zoom interview with our staf before beginning as a volunteer

Change the life of an older adult and make a difference. Start now.
