Who We Are

The Division of Tenant Resources (DTR) provides low-income and at-risk households with subsidies and support designed to increase housing stability, expand housing choice, and ensure housing quality. Subsidies also support building owners to maintain residential quality and stability.

Case Managers & Specialists

Through our various housing subsidy programs, HPD serves approximately 42,000 households in all five boroughs. As a Case Manager or Specialist with the Division of Tenant Resources (DTR), you will help give New Yorkers the opportunity to find a safe, affordable place to live in a neighborhood that they love. Join the team! Use your experience and knowledge to assist with providing housing stability to HPD clients.
