**Re: Full Roadway Closure on Queens Street from Dead End to Jackson Avenue,
Queens**

Dear Morry Galonoy and Debra Markell Kleinert,

As requested by NYC DOT, this email and the attached letter state that Highrise Safety Systems received approval (Q152023226A02) to close Queens Street due to a crawler crane erection for a new building project located at 43-14 Queens Street, Queens.

Highrise Safety Systems will close Queens Street between Dead End and Jackson Avenue on weekdays, 7 am-6 pm, starting August 22nd and ending September 22nd, 2023.

Highrise Safety Systems will limit parking forty-eight hours before the start of these operations by posting NYPD No Parking paper signs throughout the block.

Please don't hesitate to call Highrise Safety Systems at 516-247-6441 with urgent concerns or an emergency. Feel free to email us at info@valjatopc.com with questions that do not require immediate assistance.

Sincerely,

DOT Expediting Department
Valjato Engineering, P.C.
