## Siting Criteria

**WINTER 2020–2021**

- If you're unable to remove or consolidate your roadway setup, you are encouraged to take steps to protect your asset from damage due to snow removal operations. The Department of Sanitation (DSNY) has conducted training exercises that included simulated snow removal operations on narrow streets with roadway setups on both sides. DSNY will conduct targeted outreach to restaurants to ensure setups meet DOT siting criteria and that roads can be efficiently plowed and remain passable.
- Use your snow sticks to increase visibility of your setup components if they are moved.
- You can sign up to receive snow alerts and all snow-related updates through Notify NYC. To sign up for Notify NYC, call 311, visit [www.nyc.gov](http://www.nyc.gov), or follow @NotifyNYC on Twitter.

Finally, as a reminder, pursuant to new state guidance that goes into effect at 10 p.m. November 13, 2020, bars and restaurants will be required to close in-person service from 10 p.m. to 5 a.m. daily. After 10 p.m., bars and restaurants will be able to provide food to-go for curbside pickup or delivery, but will be prohibited from serving alcohol to-go.
