# NEW YORK CITY DOT — Engineering Job Fair

**NYC DOT is holding a Job Fair to fill full-time entry-level engineering positions in all aspects of our operations!** We are inviting recent and soon-to-be college graduates in civil engineering to join us. If you are interested in a challenging career, maintaining and improving the diverse infrastructure of the world's greatest City, then NYC DOT is the place to be!

NYC DOT offers an excellent benefits package, competitive salaries and opportunities for advancement, and gives you the hands-on training and experience you need to qualify to take your professional certification exams.

**Join us on Friday, February 3, 2023, from 10 a.m. to 2 p.m.,** and build your career as we build the City together. Please RSVP by January 20, 2023 at: <u>on.nyc.gov/dotjf</u>.

Remember to bring copies of your resume to the fair. All candidates for full-time positions must have at least a bachelor's degree in civil, electrical, or mechanical engineering by June 2023, and must be authorized to work in the United States.

If you need interpretation services for this event, please submit the request through the Language Access Database.  If you have questions, contact languageaccess@dot.nyc.gov. For all other accommodations, please contact the EDI Office at EEODiversityInclusion@dot.nyc.gov or 212.839.6600.
