# **Waste Advisory Board's (QSWAB)**

## **Wednesday, October 22 Virtual Hearing**

The [\*\*Queens Solid Waste Advisory Board\*\*](#) (Queens SWAB) is hosting a virtual hearing in order to elicit verbal testimony regarding waste issues and concerns - as well as solutions - that impact our city.

The NYC Department of Sanitation released the draft of its 2026 Solid Waste Management Plan last week, which lays out New York City's plans for managing solid waste for the next 10 years. We need your feedback on the plan and on the waste issues that are important to you and your community. All testimony will be submitted to the NYC Department of Sanitation as public comment on the 2026 Solid Waste Management Plan.

**The hearing will take place Wednesday, October 22 from 4-7pm.**

Along with written comments, verbal testimony will be compiled and submitted to NYC Department of Sanitation as public comment on the impending New York City 2026 Solid Waste Management Plan (SWMP). Verbal and written testimony may also be used by Queens SWAB to develop testimony for the New York City Council hearing on the 2026 Solid Waste Management Plan.
