A word from the District Manager

*Dear Members and Residents of Queens CB4,
For those of us who attended Borough President Melinda Katz's State of the Borough on January 22nd, we would know that our Borough President deserves a heap of Congratulations and Recognition with regards to a very successful address to her beloved borough. Subjects such as Tourism, Education, Housing and of course Community Boards were just a few of the key notes that we as a community should recognize. As a Community Board, we applaud the acknowledgement and understanding that our civic-minded residents serve critical roles in shaping city policies. We are glad to see that like former BP Helen Marshall, Borough President Katz continues the tradition of supporting the dynamics which we as a Community Board work so hard to maintain. We thank you Borough President Katz!*

On Page 2 of this newsletter, we have provided you with a link for more information regarding an excellent privilege that we as NYers now have: IDNYC. As some of you may know, there are currently 3 centers that offer this service: the first is Make the Road NY, the second is the Flushing library, and the third is the Central Library in Jamaica. What you may NOT know however, is that the current backlog is approximately 4-5 months! We urge you to call 311, or get online right away, and schedule an appointment so that you take full advantage of all the perks and privileges earned by obtaining this simple ID Card.

Christian Cassagnol
District Manager, CB4Q

idNYC
8 Million New Yorkers.
1 Card For All Of Us!

IDNYC is the new, *free* identification card for all New York City residents, which gives all of us the opportunity to show who we are—New Yorkers. As a government-issued photo identification card, IDNYC secures the peace of mind and access to City services that come from having recognized identification. IDNYC benefits every city resident, including the most vulnerable communities—the homeless, youth, the elderly, undocumented immigrants, the formerly incarcerated and others who may have difficulty obtaining other government-issued ID.

IDNYC cardholders can access services and programs offered by the City as well as by businesses. IDNYC helps enhance public safety, by serving as a recognized ID for interacting with NYPD. It also helps New Yorkers gain access to all City buildings that provide services to the public and is accepted as a form of identification for accessing numerous City programs and services. IDNYC also provides a dynamic series of benefits to cardholders, including a free one-year membership at many of the City's leading museums, zoos, concert halls, and botanical gardens.

ONE NIGHT...
On February 9, 2015, the NYC Department of Homeless Services will conduct its annual Homeless Outreach Population Estimate (HOPE). We need thousands of volunteers to canvass parks, subways, and other public spaces to estimate the number of people living unsheltered in the city. Just one night of your time will help us collect vital information for outreach teams to help homeless people leave the streets for a better life.

3,000 NEW YORKERS NEEDED...The information volunteers gather during HOPE 2015 is critical to our ongoing efforts, but we need your help to make it possible. We need more than 3,000 volunteers, age 18 or older, to give just one night of their time to help survey the number of New Yorkers living on city streets. We will provide you with all the training necessary to conduct the survey on the night of HOPE plus a quick, basic online orientation when you register. Sign up to volunteer for HOPE 2015 today!
