NYPD—PBQN Crime Prevention Tips
Mail Theft Alert (Mail Fishing)

There have been recent incidents where mail is being stolen from residential and U.S. Postal mailboxes. Thieves are taking the mail to obtain your checks, credit cards, and personal information for the purpose of identity theft.

- Avoid leaving outgoing mail in mailboxes over Sundays and holidays, when mail carriers don't work;
- If using a public mailbox, drop off mail as close to the last collection time as possible;
- Shred canceled or voided checks, credit card statements, and any other mail which contains your personal identifying information;
- The community's involvement is essential in catching a their, so if you see any suspicious activity, call 911. You may remain anonymous when calling.

Phone Alert

If you receive a phone call instructing you to purchase a prepaid merchant gift/debit card to make a payment for:

- Bail money
- Tax payment
- Utility company service payment
- Not to get deported
- Random
- Medical treatment for a loved one

Burglary Alert

The NYPD is asking everyone to follow these prevention tips:

- DO NOT leave windows open or unlocked when leaving your residence;
- DO NOT "buzz" anyone into your building without knowing who they are;
- Leave a light on in your residence when leaving during nighttime hours;
- Call 911 immediately if you observe ANYONE climbing on a fire escape.
