New York City Transit Communications Based Train Control (CBTC) on the 7 Line.

In order to carry out CBTC installation work in the Steinway Tunnel, we must schedule a series of service diversions affect-ing the 7 line service between Queens and Manhattan. As with the work that has taken place this Summer, tight tunnel clearances in the Steinway Tunnel make this section of the 7 line one of the most challenging areas in our subway system. MTA NYC Transit will also use these weekends to do other work on the 7 line. Additional track and tunnel maintenance work will take place in the Steinway Tunnel. We will install more resilient track plates, ten new contact rail power gaps and new contact rails, identify grout leaks in the tunnel walls and clean drain lines in the pump plants.
The next series of service diversions are scheduled to take place on the October 8-10, October 30-31, November 13-15 and November 20-22 weekends. On these weekends there will be no 7 line subway service between Times Square-42nd Street and Queensboro Plaza stations from 12:01am on Saturday to 5am on Monday. A similar diversion will also take place on the No- vember 6-7 weekend between the hours of 12:01am on Saturday and 5am on Sunday.
A special fare-free shuttle bus service will operate between the Vernon-Jackson and Queensboro Plaza stations while this service diversion is in effect.

CON EDISON TO CUSTOMERS:

Con Edison warns its customers to beware of scammers and imposters claiming to be Con Edison employees. These types of payments are not authorized by Con Edison.
We are also advising customers to never arrange payment or divulge account or personal information over the telephone, unless you are certain that you are speaking to an authorized Con Edison representative.
The Con Edison Web Site at www.coned.com offers a variety of approved and convenient options for bill payment. Customers can also speak to a representative at 1-800-75-CONED for answers about their bill or other company-related business.
For meter reading operations, all Con Edison employees arriving at your home or business have visible photo identifica- tion badges and wear employee uniforms. Feel free to ask or check for identification before allowing anyone into your home. Customers who suspect that anyone is misrepresenting themselves as Con Edison employees should call their local police department.
