THE CITY'S CONSTITUTION?  
You can vote  
on that.

The New York City Charter is our city's constitution—an instruction manual for our local government. It describes how the city spends our tax dollars, the powers of our elected officials, and how decisions are made about changes to our neighborhoods.

On November fifth, New Yorkers across the five boroughs will vote on five ballot questions that could change our local elections, how police officers are held accountable, how the city budget is set, government ethics rules, and how land in the city is developed.

On November 5, 2019, you can vote on that.
