AGENDA

- 1) Discussion/Recommendation Re: **NY City Council Intro. No. 2186-2020** and a New Comprehensive Planning Framework for New York City (Planning Together)

Intro. No. 2186-2020 is a Local Law proposed to amend the New York City Charter, in relation to requiring a comprehensive long-term plan.

Please read Intro. No. 2186-2020 and a New Comprehensive Planning Framework for New York City, which was sent to me by Paul Graziano, an Urban Planner from Northern Queens. He claims, and I saw this by reading the proposed Intro. No. 2186-2020, that the ULURP Process can be subverted if this legislation is adopted by the City Council. I am informed that this legislation to amend the City Charter might be voted on as soon as April, 2021.

- 2) Other Issues.
