Queens Community Board 6 passed the following resolution unanimously at its June 11, 2025 meeting:

Whereas advocacy around the 2020 census generated \$1.8 Billion extra funding annually for New York State services;

Whereas in order to assure a complete count of all New York City's residents we need similar advocacy efforts;

Whereas we need to start preparing for the 2030 census now;

Therefore, be it resolved that Queens Community Board #6 asks all of our City Council representatives to support and advocate for, [The New York City Council Int 1225-2025](#) which would amend the City Charter to establish an office of the census;

Be it further resolved that the efforts of the New York City's Department of City Planning be provided all the necessary resources for the Local Update of Census Address (LUCA) operations.
