## COMMUNITY BOARD 6

APRIL 14, 2021

This meeting was held virtually via Zoom due to the COVID-19 Pandemic

### PUBLIC FORUM

The public will now be able to state or read their comments during the zoom meeting. All requests for public comment must be submitted via email to [QN06@CB.NYC.GOV](mailto:QN06@CB.NYC.GOV) by 3pm on the day of meeting. Public comments submitted by Friday at 5pm, will be included in the minutes.

***Yvonne Shortt, RPGA Studio, Inc.:***

*Yvonne spoke about current art projects at Forest Park, new Afro pick installation, and new cultural conversations projects. These projects are a way to thank people that have been volunteering in the community, to promote volunteering and to give back to those that are volunteering and support local businesses. If people see these art pieces around the neighborhood and take a photo with them, they will be entered to win a \$50 restaurant gift card.*

***Mariya Pougatcheva:***

*102nd street and 66th avenue - LIJ hospital is located right in the center of our residential neighborhood. The hospital's parking lot causes a lot of traffic build up on 102 street. The traffic can start as early as 5am and results in constant honking and drivers fighting, sometimes physically. Additionally, there are often times when someone is being dropped off to go to the hospital and immediately the cars behind the drop off start honking and cursing. I feel terrible for the patients and for the neighbors due to the traffic noise. I think a no honking sign would be a great start to address the traffic noise.*

***Kaleena Ma, FH Asian Association:***

*Announced the following events:*

- a. Liver Disease and Donate Life Awareness Month Event on 4-22-21 at 7:00pm on Zoom*
- b. Town Hall with the 112th Precinct Community Council to speak about Hate Crimes against Asian Americans on 4-29-21*

***Chair Alexa Weitzman read the following comment from Lily Kodua:***

*The Queens Civic Engagement Committee sponsored by the Borough President's office met on March 31st over Zoom. During the meeting, Allie Swatek, Director of Policy Research from NYC Campaign Finance Board delivered an informational presentation on Ranked Choice Voting, which is being used in the upcoming June 2021 elections. Daniel Abramson, Director of Intergovernmental Affairs from the NYC Civic Engagement Commission, spoke to the Committee on the work of the CEC. The Committee's next meeting will be held on Wednesday, April 28th.*

Chair Weitzman expressed to the Board that all public comments are taken seriously and are followed up with personal emails from the Chair and/or various committee chairs.

### MINUTES

The minutes of March 10, 2021 were accepted as written.

### CHAIR'S REPORT

Chair Alexa Weitzman welcomed the new CB6 members that were recently appointed by the Borough President. She announced that she and Frank would be holding a Zoom Orientation for new members on April 28, 2021. Also, there will be a New / Renewal Member Swearing in on Monday April 19, 2021.

Chair Alexa Weitzman announced that committee selections would be opening this month and emails will be going out to all members, including committee chairs. In the past, we did this in October, but we will do it in April moving forward. Also, during this time, there will be an application for members of the public that wish to sit on a committee. This application period will be for the month of May and selections will go into effect June 1.

Ms. Weitzman spoke about the status of the By-Laws. The by-law work was halted when the Borough President announced that they would release guidance for CB to follow in their by-laws. This work should resume soon since the Borough President has provided some guidance and will be giving more in the coming weeks. The next meeting of the By-Law committee will be on April 29, 2021.

Since last March, we have been streaming our meetings on Facebook and Chair Weitzman announced that there may be some changes to make our meetings accessible, maybe switching to YouTube.

Chair Weitzman reminded people that we have to stick together to hopefully see the light at the end of the tunnel with COVID. However, it isn't over yet so keep wearing a mask and getting tested, etc. She also acknowledged the difficulties with the hate crimes in the Asian American / Pacific Islander communities right now and the Community Board supports them. The Diversity, Education and Community Engagement Committee will be having a Presentation on Preventing Hate Together on May 6, 2021. In addition, the Community Board continues to support the black and brown members of our community in light of a recent killing of a black man at the hands of police.

Chair Weitzman reminded everyone that there is now a google calendar on our CB 6 website, [www.nyc.gov/cb6q](http://www.nyc.gov/cb6q). This will contain all the links to sign up for meetings and events. Also, you can subscribe to the calendar and the CB events will show up on your google calendar.

Last, Chair Weitzman thanked the Board Members and the CB 6 Staff for all the work they do.

Since there are new members this month, we took a few minutes for all members to introduce themselves.

## **DISTRICT MANAGER'S REPORT**

District Manager Frank Gulluscio welcomed all the new members and Congratulated them for volunteering.

DM Gulluscio announced that the Mayor announced that all NYC employees should return to work May 3. We will be waiting for further guidance, but CB 6 Employees have already been working on a staggered schedule. In addition, CB 6 is in compliance with the last Audit.

National Grid is doing work in Rego Park near the Crescents.
