

RED HOOK COASTAL RESILIENCY

The New York City Department of Design and Construction (DDC) and the Mayor's Office of Climate and Environmental Justice (MOCEJ) are hosting a virtual community meeting for the **Red Hook Coastal Resiliency** (RHCR) project. The project team will provide updates on the project's timeline and the draft 60% design for the RHCR project. Please join us to learn more and share your thoughts on this important flood protection plan that will protect the Red Hook community.
