City of Yes – Housing Opportunity

The NYC Department of City Planning is proposing a citywide zoning text amendment to expand opportunities for housing within all zoning districts, and across all 59 of the City's Community Districts. These changes to the City's Zoning Resolution would enable more housing and a wider variety of housing types in every neighborhood, from the lowest-density districts to the highest, to address the housing shortage and high cost of housing in New York City.

Presenters: Rasika Deosthali (Borough Planner & CB 1 Liaison), Winnie Shen (Housing Planner, Housing Division) and Catie Ferrara Iannitto (Staten Island Office Director)
