MR. WANTTAJA: Hi, good morning,  
I'll now call this meeting of the Taxi &  
Limousine Commission Board of  
Commissioners to order at 10:02 a.m. I  
am acting commissioner Ryan Wanttaja and  
we are joined by Commissioners  
Sorrentino, Mitchell, Aguado, Jiha and  
Kest. As you may be aware, former TLC  
chair and Commissioner Aloysee Heredia  
Jarmoszuk recently stepped down after  
two years of leading this agency. Her  
tenure began almost on the day, at the  
same time as the COVID pandemic, so I  
want to thank her for her service to the  
agency and to the City during these past  
two incredibly challenging years of the  
industry in the City at large.

It is also sad for me to report,  
that after 14 years of dedicated service  
to the agency, Commissioner Lubi Polanco  
has decided to move on from her  
commission as a TLC Commissioner.  
Commissioner Polanco was appointed as a  
Commissioner in 2007 and served

continuously since then. In her 14 years of service to the City, Commissioner Polanco was a consistent advocate for our drivers and passengers alike, playing a key role in the passage of our driver income rules and our wheelchair accessibility requirements for taxis and FHBs, among many other important initiatives. So I again want to thank you, Commissioner Polanco, for her 14 years of service to the agency.

Before I talk a little bit about the rules we have before us, I'll note that on March 3rd we noticed two proposed rule packages for public hearing on April 5th. The first implements Council local law 109 of 2020 and requires anyone with an interest in a medallion to file an annual financial disclosure statement with the TLC. The second rule packet would raise the JFK flat rate from \$52 to \$65 and establish for the first time a flat rate of \$39 between the central business district of

Manhattan and LaGuardia Airport. I urge everyone to check out both of those rule packages on TLC's website and participate on the April 5th hearing. I know any time we're talking about adjustments to the tax, rates and fares, it's a complicated discussion, so we would really welcome your thoughts and comments on those proposed rules.

And that brings us to the rules before us for a vote today. The medallion relief program announced last year is underway and to date, we have been able to assist 263 owners with their medallion loans, disbursing about \$5.3 million in grant funds, resulting in a total amount of almost \$37 million in reduced debt. Today, we are voting on rules that will help us bring those numbers even higher. The proposed rules establish the eligibility criteria to apply for a supplemental loan deficiency guaranteed through the medallion relief program, where the City will fund a

third party guarantee on medallion loans that are written, down to a principal balance of no more than \$170,000 with an interest rate of 5 percent or less and are fully amortized over 20 years.

I want to take this time to encourage all eligible medallion owners to reach out to our owner/driver resource center to start the process of renegotiating your loan with assistance from attorneys at our owner/driver resource center. We had about 1600 medallion owners make appointments already and I've encouraged any owner who thinks they may be eligible for debt relief to reach out to us via TLC website or [mrp@tlc.nyc.gov](mailto:mrp@tlc.nyc.gov).

The goal of the program is to provide debt relief for every single eligible medallion owner who needs it. So, if you're struggling to make your existing loan payments regardless of the current principal balance of your loan, I urge you to reach out and take

advantage of this program.

Before we move on to our agenda, let me say how grateful I am for all of the work and support from TLC's incredibly dedicated and talented staff during this transition period. I am consistently amazed at what a capable team of civil servants we have at the TLC and I couldn't be more thankful for everyone here, as we keep up the TLC important work, and speaking of thankful, let me introduce you to acting general counsel Sherryl Eluto, who many of you may know. Sherryl has mercifully agreed to serve as acting general counsel, while I'm keeping the Commissioner seat warm and I can honestly say none of this would work without her agreeing to do so. So for what I'm sure is the hundredth time, but certainly not the last, thank you, Sherryl. And with that --

MS. ELUTO: Thank you for the kind words.

MR. WANTTAJA: With that, I will

3 Sherryl ELUTO to take us through the  
4 rest of our agenda.

5 MS. ELUTO: Good morning,  
6 Commissioners. Before we have the  
7 adoption of the minutes from the October  
8 6, 2021 commission meeting, let's call a  
9 vote, if you can raise your hand for  
10 approval. Commissioner Jiha, I can't  
11 see you, there you go. Great, okay, so  
12 Passed unanimously.

13 Next business, the approval or  
14 denial of the base applications, we have  
15 Fabian Cancel, who will lead you through  
16 that.

17 MR. CANCEL: Good morning,  
18 Commissioners and attendees, my name is  
19 Fabian Cancel. I'm the director of the  
20 base and business licensing unit. 30  
21 base renewal and change applications  
22 have been submitted for review and they  
23 are awaiting your approval.

24 MS. ELUTO: Can we have a vote; all

MS. ELUTO: Now we have before you  
an amendment to the rules establishing  
eligibility criteria for applying for a  
supplemental loan deficiency guarantee  
under the medallion relief program,  
pursuant to the City Administrative  
Procedure Act. The proposed rules were  
published in the City Record on January  
5, 2022. The commission held a public  
hearing on the rules on February 8, 2022  
and the final version of the proposed  
rules was posted on the TLC's website on  
March 14th and a copy of the written  
comments received were e-mailed to each  
of the commissioners on that date. So  
with that, we can all vote on the rules.  
All those in favor of adopting the  
proposed amendments, please raise your
