1 CHAIR DO: Good morning, everyone.
2 I am David Do, and I'm joined by
3 Commissioners Velazquez and Sorrentino
4 this morning. The time is now 10:07 and
5 I'm calling this public hearing to
6 order.

7 It's been a while since our last
8 hearing. We had a big couple events
9 that I'd like to report on. As many of
10 you know, on March 15th and March 29th,
11 we opened a combined total of 1,000 EV
12 licenses on a first-come, first-served
13 basis. They went very fast. Vehicle
14 licenses are always in demand and we --
15 it was encouraging to see many of you
16 out there embracing electric vehicles.
17 Once all of these vehicles are hacked
18 up, they will essentially double the
19 amount of EVs in our cities or hire
20 fleet. This is good news for our goal
21 of electrifying our for-hire volume
22 fleet by 2030.

23 On March 31st we also formally
24 launched our mobile outreach unit,
25 better known as Van Hailin'. I want to

1 congratulate all of our divisions,
2 especially our external affairs team for
3 leading the effort. We had a great
4 turnout at Councilmember Brooks-Powers'
5 in Laurelton, and I'm happy to report
6 that we worked in conjunction with
7 Councilmember Carlina Rivera, and NYPD,
8 for another Van Hailin' event scheduled
9 for the end of this month, on April 28th
10 at, this time on the Lower East Side.
11 It will be at Police Service Area 4 at
12 130 Avenue C. That's Police Service
13 Area, or PSA, 4 Headquarters at 130
14 Avenue C. For more details, please
15 check in at the pilot program page on
16 the website, or follow us on social
17 media.

18 I'm also happy to report that even
19 sooner, on April 25th, we will be
20 holding our ninth honor roll ceremony at
21 the Queens Theater. We're honoring 500
22 of the city's safest drivers, as well as
23 basis and accessibility leaders. If
24 you're on the honorary -- honorary list,
25 you should receive an invite. I

1 encourage you to come to our event. I
2 will also be sending each of you a
3 personal invitation. This is really
4 your day, and we will have some
5 refreshments. Bring your family.

6 Today we're holding a public hearing
7 on proposed amendments to our rules. In
8 accordance with Local Law 12, of 2020,
9 we proposed consolidating the Critical
10 Driver Program with the Persistent
11 Violator Program based on the TLC point
12 system for violations of TLC rules under
13 the heading of the Persistent Violator
14 Program. This will ensure that
15 TLC-licensed drivers will not be
16 penalized under the program more than
17 once for the same violation or
18 violations. In accordance with several
19 New York State insurance law changes, we
20 proposed rules that will uphold these
21 changes. State law requires a combined
22 single limit of at least 1.5 million
23 for for-hire vehicles with a seating
24 capacity of 8 or more, and let me be
25 clear, this is not including the driver.

1 And at least \$500,000 for commuter vans
2 with a seating capacity for 8 or more.
3 We reduced for vehicle -- for-hire
4 vehicle bases and owners and commuter
5 van bases and owners to respond to TLC
6 directives from 10 to 3 business days.
7 This will enable TLC's investigative
8 process to operate more efficiently and
9 to provide results for our consumers
10 more quickly.

11 We will also clarify that the
12 TLC-licensed driver cannot operate a
13 TLC-licensed vehicle if the driver's
14 state-issued first license has been
15 suspended or revoked or if the driver's
16 New York State driving privileges are
17 suspended or revoked. This also
18 requires medallion owners or their
19 agents to pay sublessee drivers,
20 including when that responsibility was
21 delegated to other parties and those
22 parties failed to pay the driver. The
23 notice to comment on this rule was
24 published in the City Record on March 6,
25 2023 and that comment period ended

1 yesterday. Of course, we're not voting
2 on these rules today and we'll take in
3 all of your comments to look at the
4 rules, make any changes, and then vote
5 at our upcoming commission hearing on
6 May 3rd.

7 Thank you all for participating in
8 today's public hearing. I will now hand
9 it over to our general counsel, Sherryl
10 Eluto, to begin the public hearing.

11 MS. ELUTO: Good morning.

12 When I call your name, you can
13 unmute your microphone, and begin your
14 testimony. Each speaker will be
15 allotted three minutes to speak. The
16 time limit will be strictly enforced. A
17 30-second warning will be provided and
18 then you will need to conclude your
19 testimony when your time is up. The
20 video of this hearing and copies of all
21 written comments will be provided to the
22 commissioners prior to the vote at the
23 next commission meeting.

24 With that, we will begin our public
25 hearing, and I will call on our first

1 speaker. First speaker is Damon
2 Sturdivant. So, Mr. Sturdivant, please
3 unmute your mic and you can begin.

4 MR. STURDIVANT: Hi. Good
5 afternoon. Good morning. My name is
6 Damon Sturdivant. I'm a TLC driver.
7 So, I purchased a car, a Tesla, in 2023,
8 worth over \$100,000. The insurance
9 company that I had previous to buying
10 the 2023 model X didn't -- does not want
11 to give me collision insurance because
12 my car is \$100,000. There's only four
13 -- four insurance companies. Now I have
14 the liability, but I need collision
15 insurance, and -- and I don't see how
16 this is possible, you know, in 2019 I
17 purchased a model 3, they gave me
18 insurance, I had the collision. So now
19 with the 2023, they don't want to give
20 me the collision insurance. I don't see
21 how -- again, I don't see how this is
22 possible for these insurance companies
23 to dictate how much your car should be
24 worth to drive in.

25 If -- now the other companies that

1 do accept cars, that much money won't
2 accept a Tesla. It's -- it's -- so, I'm
3 on here to ask TLC Commission to please
4 get in touch with these insurance
5 companies and start making rules. Us as
6 drivers have to abided by so many rules,
7 which I abide by them, but these
8 insurance companies should -- should --
9 it's like a monopoly, it doesn't make
10 sense.

11 So, also with the insurance
12 companies, if you have an issue as far
13 as an accident, or somebody makes a
14 claim, or you have to make a claim, they
15 take six months to pay out.

16 MS. ELUTO: Sir, Mr. Sturdivant.

17 MR. STURDIVANT: Yes?

18 MS. ELUTO: So, it doesn't appear
19 that you actually have comments on the
20 rules, but what we can do is have
21 someone from external affairs reach out
22 to you later today --

23 MR. STURDIVANT: Okay.

24 MS. ELUTO: -- to deal with your
25 specific issue. If that's okay?

1 MR. STURDIVANT: That's fine.

2 That's fine.

3 CHAIR DO: And then we'll also --

4 MR. STURDIVANT: I have a flood of
5 emails, also.

6 CHAIR DO: We'll also connect you
7 with the State Department of Financial
8 Services who regulates the insurers in
9 this field.

10 THE WITNESS: Awesome. Thank you.
11 I appreciate your help and allowing me
12 to speak here today.

13 CHAIR DO: Thank you, Damon.

14 MS. ELUTO: Thank you.

15 Our next speaker is Peter Mazer from
16 MTBOT. Mr. Mazer, you can unmute your
17 microphone and begin. There you are.

18 THE WITNESS: Yes. Good morning,
19 Chairman Do and members of the
20 commission. My name is Peter Mazer and
21 I am general counsel to the Metropolitan
22 Taxicab Board of Trade, a 70-year-old
23 association representing owners and
24 operators of licensed medallion
25 taxicabs. Our full-service driver

1 center has provided free representation
2 for taxicab drivers in more than 14,000
3 traffic court proceedings.

4 Today's rule practices deals first
5 with the Persistent Violator Program.
6 Drivers can lose their licenses based on
7 a combination of TLC and DMV points.
8 Let's look at how these points can be
9 assessed: maybe in traffic court after
10 a police officer has appeared to testify
11 and a driver or his attorney has
12 cross-examined the officer, and a judge
13 has found a violation based on clear and
14 convincing evidence. That's how a
15 driver gets DMV points. Or maybe a
16 driver attended an oath hearing and the
17 TLC attorney readily summoned it to the
18 record, but there was no
19 cross-examination of the issuing officer
20 because he wasn't there, or maybe some
21 individual's walking down the street and
22 they thought they saw a cab driver do
23 something wrong a few blocks away and
24 decided to call 3-1-1 and file a
25 complaint, or maybe a cab was seen in a

1 red light camera film and the TLC used
2 taxi technology to identify the driver.
3 In the last three examples, that's how
4 the driver gets TLC points. No other
5 driving professional or otherwise would
6 lose his livelihood based on a summons
7 that is not backed up by testimony, or
8 by a red light camera violation, or some
9 individual having nothing to do with the
10 cab driver filing a complaint.

11 I know the administrative code is
12 clear and you have no authority over the
13 program and the combination of DMV and
14 TLC points, but the method by which TLC
15 points are ultimately assessed is fully
16 in the control of the commissioners. I
17 urge the commissioners to take a hard
18 look at how TLC points are assessed and
19 reach out to the industry, both drivers
20 and owners representatives on how to
21 insure safe driving and at the same time
22 provide due process to drivers.

23 Second, I'd like to address an item
24 related to lease drivers and credit card
25 payments. Suppose I lease a cab from a

1 taxicab driver, and then I sublease it
2 to another driver who I know. I receive
3 credit card monies that belong to this
4 other driver and I refuse to pay them
5 for no good reason. Shouldn't I be
6 punished? Unfortunately, OATH has said
7 such misconduct does not violate
8 existing TLC rules, but the proposed
9 solution you have before you today is
10 not to penalize the driver
11 who improperly --

12 CHAIR DO: 30 seconds remaining.

13 (Inaudible due to crosstalk.)

14 THE WITNESS: -- from, but to make
15 the owner pay twice for the same trips.
16 Wouldn't it make more sense to pass a
17 rule that punishes a licensee who
18 improperly withholds money belonging to
19 another licensee? I urge you not to
20 approve the change of the leasing rules
21 and request that staff re-craft the
22 rules. As I stated, I have also
23 provided -- I fully provided my concerns
24 in written comments and I ask that they
25 are included as part of the record as

1 well.

2 Thank you for your time and
3 consideration this morning.

4 MS. ELUTO: Thank you.

5 Our next speaker is Zubin Soleimany
6 from NYTWA. You can unmute your
7 microphone and begin.

8 MR. SOLEIMANY: Good morning, Chair
9 Do, commissioners, Deputy Commissioner
10 Eluto. I'd like to begin my testimony
11 on the last point that Mr. Mazer raised
12 about the rule regarding sublessee
13 payments. And forgive me, I'm an
14 attorney at the New York Taxi Works
15 Alliance.

16 The Taxi Works Alliance fully
17 supports this rule regarding the taxi
18 owners direct payments to sublessee, the
19 situation that this rule addresses. We
20 have seen many times situations where
21 there was a conflict by the main lessee
22 and a fleet or an agent and due to that
23 conflict, both drivers would not get
24 paid. The sublessee would get punished
25 as a result of the owner's conflict with

1 the main lessee.

2 We have also seen the potential for
3 that framework to allow -- to create
4 conflict between drivers and this would
5 eliminate that potential, as the main
6 lessee would no longer have to be an
7 intermediary for payment.

8 As for concerns that Mr. Mazer
9 raised, we understand that, I think that
10 can be addressed by TLC rules. It would
11 require the registration of any lessee
12 that drives a car to be registered with
13 the taxi that's owned by the owner.
14 There should be a relationship there
15 that would avoid a situation in the
16 first place, where that setup is being
17 made, payments are being made to both
18 accounts.

19 Regarding the proposed rule on the
20 directive in shortening the time, I
21 would urge the TLC to reconsider the
22 timeframe as to vehicle owners under
23 Chapter 59A. They may very well be the
24 case that a for-hire base can turn
25 around a directive within -- within

1 three days. I do not believe that's
2 realistic for vehicle owners -- FHV
3 vehicle owners, many of whom who are
4 full-time drivers, many of whom have
5 limited English proficiency, limited
6 technological proficiency. If there's a
7 situation where somebody gets an email
8 and they have to get a form notarized
9 and turned around in three days, I
10 guarantee it, there will be hundreds, if
11 not thousands of people, who will facing
12 fines in the suspension of their FHV
13 license as they're not going to be able
14 to meet that timeframe. I urge you not
15 to apply that three-day standard to
16 Chapter 59A.

17 Finally, on a -- on the proposed
18 changes to the PVP rule, I echo much of
19 what Mr. Mazer had to say about
20 administrative due process in this
21 regard, but my main point here is that
22 --

23 CHAIR DO: 30 seconds remaining.

24 MR. SOLEIMANY: Thank you.

25 The TLC has exceeded the authority

1 by the ad code in limiting the
2 application and the point reduction to
3 either a point reduction for a defensive
4 driving class to DMV points, or a point
5 reduction for TLC points through a
6 refresher course.

7 Sections 19507.1 A1 and A2,
8 respectively, each allow for deduction
9 of points assessed by the commission and
10 points assessed by the DMV and nothing
11 in that section, and I'll be brief
12 wrapping up, nothing in that section or
13 anywhere else in the ad code for the
14 limitation that says only one or the
15 other category of those points may be
16 reduced. It simply isn't in the ad
17 code, TLC does not have the authority to
18 impose that further limitation on point
19 reduction.

20 Happy to take on questions on that
21 point. Thank you for your time.

22 CHAIR DO: Thanks, Zubin. On the
23 directive, what do you think is more
24 fair than three business days?

25 MR. SOLEIMANY: I think 10

1 minutes -- I'm sorry. Not 10 minutes.
2 Strike that, please. I think -- I think
3 10 days is a reasonable amount of time
4 looking at if somebody -- if somebody
5 gets an email, they have to go to
6 somebody to figure out what it means,
7 maybe they need translation assistance,
8 then they have to seek out a notary, and
9 send it back. In those situations, I
10 think for that -- for that owner/driver
11 situation, I think that's a reasonable
12 timeframe.

13 CHAIR DO: Thank you, Zubin.

14 Appreciate it.

15 MR. SOLEIMANY: Thank you, Chair Do.

16 MS. ELUTO: Thank you.

17 Our next speaker is Jose Altamirano.

18 MR. ALTAMIRANO: Good morning,
19 everyone. Thanks for having me here.
20 Good morning, Commissioner Do, and the
21 rest of the commission. I'm Jose
22 Altamirano, I'm a local owner of El
23 Barrio Car Service in East Harlem as
24 well as the president of the Livery Base
25 Owners, which represents over 200 livery

1 bases in the city. These are bases that
2 are mom and pops, minority, women-owned,
3 mostly immigrants that service
4 transportation deserts throughout the
5 city. We have been here since the very
6 beginning and hope to continue to be
7 here. We've been a little beaten up and
8 bruised by the E-Hail companies, further
9 affected tremendously by blanket
10 approaches to control these E-Hails by
11 the city. Most notably, the vehicle cap
12 that has decimated us and dwindled our
13 numbers. Reluctantly, working with
14 Commissioner Do and his team, we're
15 looking and finally seeing some changes,
16 hopefully something positive is coming
17 our way.

18 Today, we'd like to -- I'd like to
19 speak about these proposed rules,
20 particularly this change in the -- from
21 10 days to 3 days. We have a lot of
22 concerns regarding this. After 10 days
23 that a business does not respond to a
24 directive, they will go -- I believe
25 it's a \$200 summons and it is expensive.

1 I'm not sure how much more grave it can
2 get, but three days is really an
3 unreasonable amount of time. It
4 requires certain time to get these done.
5 Most of our communities have a language
6 barrier and and need people to translate
7 and do other things for them, and these
8 things take time. I mean, there have
9 been moments when you miss it sometimes.
10 You miss an email, sometimes you get an
11 email, sometimes you get a letter,
12 sometimes you get both, and if you miss
13 it, you could end up being suspended
14 without really knowing what happened.
15 So, it is an issue we have great concern
16 over and hope that the commissioner
17 reconsiders this situation. If 10
18 days -- 3 days is definitely too short.
19 We were thinking minimum 6 days, but if
20 it can be kept at 10, that would be
21 preferable.

22 We also have some questions and
23 concerns regarding the Persistent
24 Violator Program and how it's going to
25 work with the critical driver because we

1 have a lot of issues with Vision Zero.
2 Vision Zero caused many drivers to lose
3 their -- to lose their licenses. We
4 thought it was very unfair at the time
5 that something done on a personal time
6 can affect your business. I don't think
7 that happens anywhere else. We did --
8 we're hoping we could get some
9 clarification.

10 We have further notes that we will
11 submit by writing, but we just need some
12 clarifications in terms of the actual
13 mesh that will be in the Persistent
14 Program taking over the Critical
15 Program.

16 Thank you very much.

17 CHAIR DO: Thank you, Jose. We'll
18 look at your notes and your comments.
19 Thank you.

20 MR. ALTAMIRANO: Thank you.

21 MS. ELUTO: Our next speaker is
22 Jeremy Moskowitz from Voyager Global
23 Mobility.

24 THE WITNESS: Hi. Thank you. Thank
25 you, Commissioner Do, and the other

1 commissioners. As you said, I'm
2 testifying on behalf of Voyager Global
3 Mobility and we are the parent company
4 of two of New York's largest FHV rental
5 companies, Buggy and Fast Track in
6 Brooklyn and Long Island City.

7 We want to take this opportunity to
8 comment on rule 59A-06, which wasn't
9 highlighted or mentioned in the
10 beginning, but is a part of this rule
11 change adding the work voluntary
12 regarding the surrender of plates and
13 that process.

14 So, first, we just wanted to
15 highlight our concern about the
16 transparency and accountability of the
17 process. We know there is bureaucracy
18 and hoops to jump through and we
19 genuinely believe in those. We do think
20 that it makes New York safer, and it
21 makes the industry safer, but it's not
22 there just for the sake of bureaucracy,
23 it's there for the spirit of the law to
24 do just that, to make it safer. And
25 unfortunately, over the past -- over the

1 past three years, especially with the
2 storage program, which we're very
3 grateful for your support during COVID.
4 In doing that, that involved
5 surrendering plates and surrendering
6 plates to the DMV, getting certain forms
7 in FSX6T, right, and then following up
8 with the TLC to get a plate letter, and
9 do a transfer to do all the things we
10 have to do as corporations to keep new
11 vehicles on the road for our drivers who
12 want them. Unfortunately, there hasn't
13 been clarity and it is not written
14 clearly what the timelines are, what the
15 deadlines are, and during COVID, all of
16 those timelines and deadlines, even if
17 people said them verbally, 60 days, 90
18 days, they went away, because -- as did
19 so many things during COVID. Even now,
20 we will submit certain -- we will submit
21 forms and be told that that plate is
22 dead, because it was surrendered, which
23 is part of the process that you have to
24 do if you lose a plate, or get a plate
25 stolen, which is just normal process in

1 New York, you get in an accident, or
2 unfortunately, the TLC plate is ripped
3 off your car by a thief, and that is
4 part of the process.

5 So, our concern is that by adding
6 the word "voluntary" and by continuing
7 to use this rule and saying --

8 CHAIR DO: 30 seconds remaining.

9 MR. MOSKOWITZ: -- it's up to the
10 discretion of whoever's reviewing the
11 list to -- to -- that they can terminate
12 the license, we are concerned because we
13 don't have clarity and our emails go
14 unanswered and our phone calls aren't
15 necessarily returned, and I'm sitting
16 150 feet from the TLC office, but I'm
17 not allowed in there because all of our
18 stuff has to be done online.

19 So we're asking for more
20 transparency. We have 19 licenses that
21 we've been working hard to try to
22 reinstate because we did not voluntarily
23 surrender them. We applied for the EV
24 licenses, we didn't get them, which is
25 fine, but we're doing our part to try to

1 work with you and we would like some
2 support in return.

3 CHAIR DO: Thank you, Jeremy.

4 MS. ELUTO: Thank you.

5 Our next speaker is Michele Dottin
6 from IDG.

7 MS. DOTTIN: Good morning,
8 Commissioner Do, and commissioners.

9 I actually would to talk about,
10 first, the affidavit. It's absolutely
11 insane. Commissioner, three days for a
12 driver to respond, it's -- it's just not
13 reasonable. Where a driver will find a
14 notary in this day and age now, notaries
15 are difficult. If we were talking about
16 20 -- 2000, a notary was everywhere.
17 Now we had COVID, notaries are a dime a
18 dozen. You cannot find them that
19 easily. You should actually take that
20 away from an individual licensee. They
21 shouldn't need to notarize a letter that
22 you sent to their email, and to their
23 home. Allow them the opportunity to
24 just respond without that, and I believe
25 you should continue to send them mail,

1 if it's an individual owner. A fleet
2 owner, they've got time. Leases, rental
3 companies, they got the system down pat.
4 So, give individual owners the
5 opportunity to at least just respond.
6 You think they have a lot of other
7 issues that's going on.

8 With regard to the inspection, come
9 on, don't give them 60 days to respond.
10 I'm an owner. Sometimes I don't even
11 realize that my inspection expired
12 because it says a year on it, so every
13 month we have to count back. "Oh, man,
14 I got to take the inspection. Oh, man,
15 I got to take it. I've got 60 days."
16 We're busy. Drivers are trying to make
17 money. Another fee on them, it's
18 really, really not fair. Come on. We
19 are still struggling, we are still
20 getting back on our feet from COVID. We
21 haven't had a chance to breathe, and
22 every time a new rule comes, it doesn't
23 affect the corporation, the rental
24 company, the leasing company. It
25 affects the individual owner. Let's

1 protect an individual owner. The
2 licensee that struggles every day, that
3 has a family to protect, this is their
4 livelihood. They move New York City.
5 They're leasing -- and rental companies,
6 they don't do that. The drivers are up,
7 taking care of this city. Put them
8 first. Put them first with all the
9 rules that you do. Punish those that
10 have the ability to have hundreds of
11 licenses.

12 CHAIR DO: 30 seconds remaining.

13 MS. DOTTIN: Leasing rental
14 companies are fleecing their drivers.
15 With regard to the storage program,
16 please keep it for the individual owners
17 who may have an emergency that comes
18 about and may be out of the country. We
19 are foreigners. We don't leave for one
20 month. We leave for two, three, four
21 months sometimes because it's so
22 expensive to do so.

23 And I echo Mr. Mazer's thing on the
24 points system. Please. Please.
25 Please. Let's talk about it and see how

1 we can make it better.

2 Thank you so much.

3 CHAIR DO: Thank you, Michele. Just
4 as FYI, while we're ending the existing
5 Storage Program, we're going to
6 reimagine a new storage program in its
7 place for those, exactly that, that
8 travel abroad for months at a time.

9 MS. DOTIN: I just had a driver who
10 came to me. He suffered with cancer.
11 He has been suffering, just now trying
12 to get back on his feet. We need to
13 individually look at situations. Okay?

14 CHAIR DO: All right. Thank you,
15 Michele. I appreciate your comments
16 today.

17 MS. DOTIN: You're welcome.

18 MS. ELUTO: Our next speaker is
19 Pedro Acosta from IDG. Mr. Acosta, you
20 can unmute your mic and begin.

21 MR. ACOSTA: Hello. Good morning,
22 everyone. Good morning, Commissioner.
23 Good morning, all TLC staff, everybody
24 in the meeting. I appreciate so much
25 for being given the opportunity to talk.

1 My name is Pedro Acosta and I'm a
2 driver for over 25 years, and I see that
3 every day the TLC, instead of looking
4 for the way to protect the drivers, they
5 are looking for some type of logistic to
6 make things harder for us. Like,
7 strongly, like Michele and Mr. Soleimany
8 said, we need the 10 days to answer that
9 when you are -- when we are called to do
10 things. Three days is not enough.

11 Every day you are creating things to
12 make things harder for us. For example,
13 I know a driver who was unable to deal
14 with problems that he had with you, and
15 he lost his license, and he just got
16 killed himself about six weeks ago. So,
17 if you continue to make things harder
18 for us, all these things are going to
19 start happening to us because things --
20 you're making this too hard for us.

21 In terms of the point of the
22 insurance -- also, I have to say, just
23 to consider that we, TLC drivers, drive
24 10 times whatever a regular driver
25 drives every day. We have more chances

1 to get in -- in trouble. So, if we only
2 have a chance to do the TLC class in
3 five months, we are going to be at high
4 risk to lose our license very soon.

5 We have -- we need protection from
6 you. I don't know what the protection
7 from the TLC is doing. I don't know if
8 they hide. I don't know what they're
9 doing. I think they are part of the
10 logistic that the TLC is creating
11 against the T -- the FHV drivers.

12 So, please be more considerable with
13 us. We need your help instead of being
14 tied up by yourself. Thank you so much.

15 MS. ELUTO: Thank you.

16 Our next speaker is Sonam Lama from
17 IDG.

18 (No response.)

19 MS. ELUTO: No? All right. I'm
20 going to go to the next person.

21 Arifa Tirmizi from IDG. Arifa?

22 THE WITNESS: Yes.

23 Good morning, Commissioner, and TLC
24 staff. I was, you know, worried to hear
25 that the form that we have to respond in

1 3 days than 10 days. As a parent, as a
2 mother, as a mother of 7 children, and I
3 have a disabled daughter, I always come
4 to these meetings and hearings, and I
5 try to stress that, you know, we're not
6 just TLC drivers. We, you know, we are
7 also parents. We have families. It's
8 not unusual that -- immigrants having
9 big families.

10 And with this respect, I just want
11 to bring in that, you know, having only
12 three days to submit the form, receive
13 it, get it notarized. I just think this
14 is impossible. This is ridiculous.
15 Even having children, the teachers are
16 calling me, I have to fill out forms, I
17 have to put up a lot with having
18 children, to having -- to putting food
19 on the table, with all these stringents
20 that are coming from TLC. I mean, that
21 just makes it difficult as a parent to
22 put anything on the table for my kids,
23 but having these kind of laws that, you
24 know, make it more difficult for
25 drivers, it's like impossible to have

1 any flexibility. You know, I joined
2 this adventure of becoming a TLC driver
3 because of the flexibility, but these
4 rules are kind of making it difficult as
5 a parent, you know, to do these things,
6 and at the same time I just think the
7 60-day rule is kind of impossible,
8 because you know, I just don't
9 understand the point of getting the
10 inspection within 60 days, and then
11 there's an inspection with the DMV that
12 we have to get every year, and then when
13 you work with Uber, I notice that every
14 four months they tell us to get an
15 inspection done. So, you know, I don't
16 understand how are you regulating all of
17 these laws, knowing that, you know, you
18 are the governing authority that
19 regulates all of these different
20 companies that come in as Uber and Lyft,
21 they are pushing us to do inspections
22 every four months, and, you know, now
23 you come in and tell us to do it within
24 60 days. I think that is kind of
25 impossible, because that's like the

1 cost --

2 CHAIR DO: 30 seconds remaining.

3 MS. TIRMIZI: These costs are not
4 helping us, especially the inflation
5 that's happening right now. That's not
6 helping us at all. So, if there are
7 some kind of incentives that will help
8 us as drivers, I think that is something
9 that should be looked at, with parents,
10 with children, these things add up, and
11 with due respect, you know, I would like
12 TLC to look at individual drivers with
13 plates owned, how they can help us, and
14 I thank you so much for your time.

15 CHAIR DO: Thank you, Arifa, for
16 your testimony today. I appreciate it.

17 MS. TIRMIZI: Thank you.

18 MS. ELUTO: Thank you.

19 Our next speaker is William Calderon
20 Taveras. Mr. Taveras?

21 MR. TAVERAS: Yes. Can you hear me?

22 MS. ELUTO: Yes.

23 MR. TAVERAS: Good morning,
24 everyone, commissioners, everyone in the
25 chat -- on the Zoom, sorry. I'm a

1 gentleman growing up in New York City in
2 the borough of Manhattan. Growing up
3 and committed -- I made wrong choices
4 growing up at a young age, in which I
5 totally regret because I made wrong
6 decisions and now growing up, getting
7 older, at this age, I'm a family of a
8 lot, a daughter 5 years old -- she's
9 going to be 5, and an unborn child on
10 the way. I live with my wife, and I
11 would like the opportunity to get back
12 into society and get a better job and to
13 provide better for my family.

14 I applied for the TLC license to get
15 a better job, as I said earlier. I
16 completed all of the requirements that I
17 needed, everything went through, thank
18 God I passed the test. Now it's on
19 behalf of this meeting that would make a
20 decision if they give me a chance to get
21 a license and to get a -- start working
22 at another better job than what I have
23 at the moment.

24 I was raised in Manhattan, you know

25 --

1 MS. ELUTO: Mr. Taveras -- Mr.
2 Taveras, just so I understand. You
3 applied for a TLC license, you got a
4 fitness interview letter, and you were
5 interviewed?

6 MR. TAVERAS: Well, this is my
7 interview at the moment for the Zoom to
8 -- to -- it was for -- they required me
9 to interview -- to speak with the
10 commissioners to explain my situation
11 about --

12 MS. ELUTO: Sir, this --

13 CHAIR DO: Sir, what we'll do is
14 connect you with our licensing division
15 and our external affairs. This is a
16 live broadcast so, you don't have to
17 defend you or your record here. We'll
18 work with you outside of this Zoom
19 meeting to talk a little bit about your
20 options. Okay, William?

21 MR. TAVERAS: Oh, this is the link
22 they sent me in my email to speak with
23 the (inaudible) about the situation. I
24 just applied for my license, I completed
25 everything, the test, the classes,

1 everything is done already.

2 CHAIR DO: Got it. I'll follow up
3 -- I'll follow up with the licensing
4 department right after this. This is
5 for proposed rules to TLC rules as a
6 whole. So, we'll connect with you right
7 after this. Thank you.

8 Go ahead, Sherryl.

9 MS. ELUTO: Okay. Our next speaker
10 is Raul Rivera. Go right ahead.

11 MR. RIVERA: Can you hear me?

12 MS. ELUTO: Yes.

13 MR. RIVERA: Good morning. Good
14 morning, everyone. Good morning,
15 commissioner -- commissioners. Good
16 morning, Chair Do.

17 As you can hear the testimony, you
18 hear people are struggling to get the
19 words out. If the TLC is going to
20 streamline any programs to make it
21 easier for the TLC to operate, that's
22 great. But in the same process of
23 making it easier for you guys, don't
24 make it harder for the drivers, don't
25 start restricting things and making it

1 more difficult. A 10-day period is
2 short enough. We don't need it shorter.
3 Three days is ridiculous. It should not
4 happen. If you're going to streamline
5 the program, it should work for the TLC
6 and the drivers.

7 I'll give you an example. We've
8 been trying to get business cards for
9 the inspectors, right, and it's been
10 over a year. We've been working with
11 the old commissioner, and thankfully,
12 with the new commissioner we got the
13 cards produced and inspectors are now
14 carrying cards.

15 Now, what we need is for the
16 commissioner to send an official email
17 so the driver will know about the cards.
18 You can see on our end, when we
19 advocate, it takes years, and now TLC
20 wants to streamline things and make it
21 easier for themselves, but in the
22 process, making things very difficult
23 for the drivers.

24 Also, I want to mention Cooper's
25 Law. Cooper's Law is about safety and

1 that -- that law came about in 2014 and
2 from 2014 until now there's only been
3 one driver that's lost his license. The
4 TLC driving New York professional, they
5 are safe. I myself have zero points on
6 my license. I was hit five times and
7 I'm unable to get onto any insurance
8 companies because they're putting --
9 they're putting profit before safety.
10 I'm a professional driver. Over 23,000
11 trips and I'm not allowed to be on the
12 road.

13 Another thing I want to mention is
14 that (inaudible sentence.) They're an
15 organization here in New York. They've
16 been here over 40 years and they have a
17 lot of say and a lot of power over the
18 mayor, and over the TLC Commissioner
19 Ydanis Rodriguez. I personally call for
20 an investigation into transportation --

21 CHAIR DO: 30 seconds remaining.

22 MR. RIVERA: And why are -- why do
23 they have so much power over the mayor,
24 over the TLC? We know these
25 organizations are making it very, very

1 difficult for the drivers. We will
2 continue to call them out. We thank you
3 for the time. We make this public.
4 We're going to keep sharing it.

5 Thank you for all your efforts.

6 CHAIR DO: Thank you, Raul, for your
7 comments. I appreciate it.

8 MS. ELUTO: Thank you.

9 Our next speaker is Fabian Wilson.
10 Mr. Wilson, unmute your microphone.

11 MR. WILSON: Good morning, my name
12 is Fabian Wilson.

13 MS. ELUTO: Good morning.

14 MR. WILSON: I'd like to say that
15 I'm happy that this meeting has been
16 established and it gave us an
17 opportunity to share our view as
18 driver/owners on the issues that are
19 affecting us.

20 Today I want to talk about a
21 directive, the 3-day window that TLC has
22 proposed. I think three days is very
23 insufficient for many reasons. The
24 10-day window seems to be working, and
25 number 2, drivers sometimes are all over

1 the country on vacation, attending a
2 medical institute, being with their
3 family member, or sometimes there's a
4 family death and they may need to leave
5 the country. So, three days would be
6 kind of a limited window for them to
7 respond. It would create a lot of
8 difficulty and a lot of issues.

9 Granted, most of these directives
10 are given when a citizen takes a camera
11 out, a picture, not a law enforcement
12 officer of the TLC, or the NYPD, or any
13 other agency, and it's just somewhat
14 injustice. Many times people are angry.
15 I've been a driver for seven years, and
16 you can see my record. As you traverse
17 the city, there are people who cross the
18 street on the red -- when the light is
19 against them, in magnitude, in
20 multitude, especially New York
21 City/Manhattan, if you try to drive
22 while you blow your horn, they will turn
23 around and take a picture of you and say
24 you are caught in the crosswalk. They
25 will come up with several certain

1 situations that will make the driver
2 receive a directive in a 30-day window,
3 or whatever window TLC needs to review
4 that, and then the driver doesn't have
5 sufficient time to really address this
6 situation. It could jeopardize their
7 income, their family situation, and put
8 them into financial straits.

9 The next thing I want to talk about
10 is the Persistent Driver Program. That
11 Persistent Driver Program seems to
12 double jeopardize only one type of
13 individual in the State of New York.
14 I'm not a legal professional --

15 CHAIR DO: You have 30 seconds
16 remaining.

17 MR. WILSON: -- but I know you're
18 not allowed to be charged twice with the
19 same crime, because the state already
20 imposed a fine for violation on our
21 license, and there's necessary fees.
22 When TLC secondarily gives you a
23 violation for the other fees, we are
24 paying twice for the same crime. I
25 don't think any other individual faces

1 such jeopardy, double jeopardy.

2 Thank you for allowing me to speak.

3 CHAIR DO: Thank you, Fabian. And
4 we'll look at the directive and the PVP
5 program and your comments as we go to a
6 vote.

7 MS. ELUTO: Our next speaker is
8 Israel Acevedo. Mr. Acevedo, unmute
9 your mic and you can begin.

10 MR. ACEVEDO: Good morning. Can you
11 hear me?

12 MS. ELUTO: Yes.

13 MR. ACEVEDO: Good morning. My name
14 is Israel Acevedo and I am a for-hire
15 auto operator. Thank you for allowing
16 me to speak.

17 First and foremost, I would like to
18 say that a lot of us in the driver
19 community are very confused with some of
20 the topics being discussed today. I ask
21 that when this agency communicates with
22 the driver, you simplify the language
23 that is being used, please take into
24 consideration that many of us present
25 reading, writing, and educational

1 barriers. Many drivers have minimal to
2 no education. I myself am born and
3 raised in Brooklyn, New York, and I can
4 read and write the English language
5 well, and at times I have difficulty
6 with what is being communicated in the
7 emails.

8 In the future, is it possible to
9 have a Q&A meeting via Zoom before a
10 public hearing to give drivers the
11 opportunity to ask questions about
12 current and proposed rules, so we can
13 better provide testimony at the public
14 hearing?

15 TLC points being reduced every five
16 years. On May 22, 2020, I received an
17 email from the TLC Settlement Union
18 stating, "After you accumulate on your
19 TLC license, you can take a defensive
20 driving course and it will reduce your
21 points." However, if you take multiple
22 classes and want them to apply, they
23 need to be 18 months apart from each
24 other. I asked that TLC amend to every
25 18 months to reflect state law.

1 In regards to the directive, I think
2 drivers responding to directives should
3 remain at 10 days. Reducing it to 3
4 days is just not enough time.
5 Responding to directives can be
6 complicated. Take into consideration
7 that many of us present reading,
8 writing, and educational barriers. Many
9 drivers have minimal to no education and
10 are not able to do two or do -- not know
11 how to complete the affidavit. Many
12 drivers do not even know how to use a
13 computer to send the affidavit back,
14 once it is completed. Many drivers
15 don't -- do not even know the affidavit
16 needs to be notarized. I think
17 requiring drivers to notarize the
18 affidavit should be eliminated. Some of
19 us who have received these directives
20 know that not completing them correctly
21 in the required time leads to
22 financially penalty from the TLC. I
23 myself received a affidavit, filled it
24 out, and sent it back the same day. I
25 received it, and it was sent back to me

1 because it was not notarized. I had it
2 notarized, and when I sent it back, it
3 was overdue and I received a financial
4 penalty of \$100.

5 Everything that the TLC does has a
6 financial penalty attached to it. 3
7 days is not enough, and 10 days --

8 CHAIR DO: 30 seconds remaining.

9 MR. ACEVEDO: 10 days is -- is
10 perfect and that's where it should
11 remain.

12 Thank you for allowing me to speak.

13 CHAIR DO: Israel, thank you so much
14 for your comments, and we'll look to
15 making some of our rule proposals a
16 little bit more accessible for the
17 driving community.

18 MR. ACEVEDO: Thank you,
19 Commissioner Do.

20 MS. ELUTO: Our next speaker is
21 Anwaar Malik from IDG. Mr. Malik, you
22 can unmute your microphone.

23 MR. MALIK: Good morning, everybody.
24 My name is Anwaar Malik. I am a
25 supporter of IDG, and first, this

1 proposed change that would reduce the
2 length time of a license holder has to
3 respond a request. Just echoing what
4 Michele and Israel said about the TLC
5 driver change in the time from 10 days
6 to 3 days, it's -- it's -- it's too much
7 -- it's too less. The 10 day was
8 amazing. I do understand that some
9 large fleet owners drag their feet,
10 taking weeks or even months to answer
11 requests from TLC -- from the TLC, but
12 this will change and impact individual
13 owner/operators, and the solution isn't
14 to shorten the legal response time to
15 just 3 days for everyone.

16 The issue about insurance is also
17 not going to help, like he said,
18 (inaudible) owners who only get like
19 Uber X or regular Lyft rides. Those
20 drivers do not get high-end riders nor
21 do limo companies accept that, so please
22 let's rethink before TLC knowing or
23 unknowingly -- unknowingly screws more
24 livelihoods.

25 Thank you to Mr. Do for letting us

1 know that you guys will be creating
2 another program for drivers to place the
3 plates in storage. But please, let's
4 keep it for drivers only, not fleet
5 companies. And the one change is meant
6 to align TLC regulations in city law.
7 The change is Persistent Violator
8 Program, formalizing a change in law
9 that reduces the number of times a
10 driver may take the point reduction
11 course to reduce the TLC violation
12 points. Only once every five years we
13 would like to work with the TLC to
14 either find a way to offer another
15 course during that period, using the
16 existing defensive driving course. Each
17 driver must take every three years or
18 work with the City Council to offer
19 additional options. I suggest that TLC
20 renewal course should help drivers, now
21 that you made it mandatory, should also
22 help drivers in reducing points.

23 The current law offers no way for an
24 unlucky driver to deal with TLC points
25 when even a small number can lead to

1 large fines, or if a driver gets 11 TLC
2 points over 5 years, they can lose their
3 license. Finally, this entire process
4 has brought a problem to when the TLC
5 released these proposed changes, the IDG
6 office --

7 CHAIR DO: 30 seconds remaining.

8 MR. MALIK: -- was audited with
9 calls from drivers trying to understand
10 the implications of the change. 25
11 pages of legal writing can be hard to
12 digest, even the statement of purpose is
13 beyond most English-speaking drivers,
14 much less those who struggle with the
15 language. We propose in the future that
16 TLC include a simple chart that states
17 clearly how each proposed change will
18 affect the drivers and that this chart
19 be translated into the reading language
20 spoken by drivers.

21 Drivers at IDG have been using this
22 IDG platform to fight against big tech
23 and each sector --

24 CHAIR DO: Your time has expired.

25 MR. MALIK: We simply ask for a

1 raise for 90 percent of the fare and a
2 cap on TLC license. We didn't ask for
3 you guys to put more pressure on us or
4 give us more stress, so let's work on
5 those things.

6 CHAIR DO: Thank you, Anwaar. I
7 just want to repeat what I said at the
8 top. Based on the state law changes,
9 right, we implemented these new
10 insurance law changes into our rules,
11 but, right, seating capacity of 8 or
12 more, not including the driver, so the
13 TLC I know would be under the existing
14 rules.

15 MR. MALIK: Yes. Thank you.

16 MS. ELUTO: Our next speaker is
17 Gregory Gallo.

18 MR. GALLO: Good morning, members of
19 the commission, and council, thank you
20 for allowing me the opportunity to speak
21 today. I am an industry attorney here
22 on behalf of Mr. Bengali Dougara, FHV
23 permit 5782916, with brief comments
24 opposing the proposed amendment to rule
25 59A-06 subsection D. I disfavor the

1 amendment and suggest that the
2 commissioners vote against it for the
3 following reason: the term "voluntary
4 surrender" can lead to unintended
5 results. For instance, circumstances
6 exist whereby voluntary surrender is
7 really a surrender by consequence and,
8 in fact, not voluntarily. If this rule
9 is to be retrospectively applied, its
10 application will further lead to unfair
11 results, and for closed permit holders
12 from getting back FHV permits that TLC
13 terminated unfairly.

14 Case in point is the licensing
15 matter we have before us in our
16 organization concerning Mr. Bengali
17 Dougara. Like many license holders, Mr.
18 Dougara emigrated to the United States
19 and worked tirelessly as a for-hire
20 vehicle to save enough money to become
21 an individual vehicle owner. That all
22 came to an abrupt end last year, briefly
23 in March 2022, Mr. Dougara traveled to
24 Gambia to attend personal family matters
25 for the first time since COVID-19

1 restrictions were lifted. This stay
2 lasted more than 60 days, during which
3 time he sought to obtain new license
4 plates to replace the ones he had
5 surrendered. At his TLC license
6 appointment in July, TLC refused to
7 issue new plates and terminated his
8 permit because he did not obtain new
9 plates within the 60 days of
10 surrendering his old plates, which is a
11 TLC requirement that, as you know, was
12 not enforced during the COVID-19
13 pandemic. Suddenly, TLC arbitrarily
14 changed its policy without issuing an
15 industry notice, whereby in effect TLC
16 decided on a Monday morning that it
17 would resume enforcing the 60-day
18 requirement that it had not enforced on
19 the previous Friday, and for that
20 matter, the previous two years.

21 The proposed rule before the
22 commissioners will foreclose people like
23 Mr. Dougara and those similarly situated
24 from ever getting back the permits that
25 they had worked so hard for, that were

1 wrongfully taken from them. Although
2 these issues occurred under a prior
3 administration, this current
4 administration has a chance to fix them.
5 Moreover, this administration can avoid
6 further unfair consequences by rejecting
7 this proposal.

8 CHAIR DO: 30 seconds remaining.

9 MR. GALLO: Due to time
10 restrictions, I have omitted several
11 details of Mr. Dougara's case, but I
12 welcome the opportunity to share further
13 details with the commissioners in an
14 effort to fix this wrongful termination
15 of his FHV permit.

16 Thank you very much.

17 CHAIR DO: Thank you for your
18 comments. I appreciate it.

19 MS. ELUTO: Our next speaker is from
20 Dawood Mian.

21 MR. MIAN: Hi. Thank you very much
22 for the time today. I think you've all
23 already addressed Chair Do about the
24 insurance language change. I just want
25 to clarify that the actual language

1 changing to clarify that it excludes the
2 driver, or is that just implied, I just
3 wanted to ask you about?

4 CHAIR DO: Thank you. We'll take a
5 look at it based on all of our comments
6 and make the changes necessary to
7 clarify.

8 MR. MIAN: Okay. Thank you for --
9 thank you very much for that.

10 The second comment I had is related
11 to the TLC plate surrender, and it was
12 some fleet corporations have commented
13 on -- during the COVID-19 pandemic there
14 was a lot of discussion and rulings and
15 things like that. The only comment I
16 have related to that, that's not often
17 spoken on because one of our instances
18 also relates to fleet management for
19 individuals and corporations, is
20 sometimes people lose TLC plates for
21 maintenance issues. For example, we
22 have a client right now that was
23 involved in an accident 30 days before
24 their license was due for expiration and
25 a five-month insurance claim process,

1 the TLC plate fine is to lose your
2 license, so if there could be language
3 added related to the supply to have
4 corporations and individuals related to
5 -- if an individual or corporation has
6 maintenance issues, and they can prove
7 that maintenance issues, and things like
8 that has delayed, you know, getting
9 valid inspections, it would be
10 appreciated.

11 And the last comment I have is that
12 I appreciate all the commissioners here,
13 and the chair. Do we have any
14 visibility around when people have a
15 full commission of 9 commissioners
16 because it seems like -- and that's
17 not -- I'm happy that everything is
18 independent, but it seems that these
19 rules are being voted with a supreme
20 court that has, you know, four of nine
21 judges present. So, I mean, we
22 appreciate the four justices that are
23 present. Is there any visibility when
24 the commission will be full? That is
25 it.

1 Thank you so much for your time.

2 CHAIR DO: Thank you for your
3 comments. We'll -- we'll announce new
4 commissioners in the coming months and
5 we're working hard towards having a full
6 commission. I appreciate your comments.

7 MR. MIAN: Thank you.

8 MS. ELUTO: Thank you.

9 Our next speaker is Aeraj Qazi, and
10 I'm hoping I got the name correctly.

11 MR. QAZI: Better than most, yes.

12 MS. ELUTO: Okay.

13 MR. QAZI: Thank you so much for
14 allowing me to speak today. In the
15 beginning of this conversation,
16 beginning of this meeting, Commissioner
17 Do mentioned the insurance requirements
18 regarding passengers and he specifically
19 said not including the driver. As of
20 this morning, the vehicle insurance
21 requirements listed on the TLC website,
22 it seems that they're confusing seating
23 capacity and passengers. The legal
24 definition of passengers according to
25 the Black's Law book is an occupant of a

1 car, train, boat, airplane, or other
2 transportation vehicle, not including
3 the person operating it, or a member of
4 the crew. According to the TLC's
5 website, it seems they are confusing it.
6 In fact, I have -- I have a client of
7 mine who is trying to have a vehicle
8 replacement done. He's a -- a vehicle
9 transfer done, but they keep on
10 rejecting his files because the -- the
11 FH1 insurance card says eight passengers
12 on it, and they're telling him he needs
13 1.5 million dollar insurance.

14 Now, my concern is that I don't
15 think the staff at TLC processing these
16 files fully understand this rule that
17 eight passengers is okay because it does
18 not include the driver. I think TLC
19 needs to immediately update these
20 insurance requirements, as well as train
21 staff about what they actually mean. I
22 mean, legal precedents, in terms of
23 defining what a passenger is and what a
24 driver is, has been set as far back as
25 127 years in the case of Davis v.

1 Petrinovich, 1896, which clearly defines
2 what a passenger is and what an operator
3 is. But I think that Commissioner Do
4 has already, you know, I just wanted to
5 tell you guys to please update what you
6 guys have online. But Commissioner Do
7 already mentioned this, so I really
8 appreciate that.

9 However, I want to also comment on
10 the affidavit that many people already
11 have. Three days is simply not enough
12 time. Now, because I work in this
13 industry, I see a dozen affidavits every
14 day, so it's very easy for me, but
15 there's a lot of language barriers that
16 people in the driver community --

17 CHAIR DO: 30 seconds remaining.

18 MR. QAZI: -- suffer from, so 3 days
19 is simply not enough.

20 In regards to the 60 days for
21 renewal inspection. I have cases, for
22 example, the gentleman I have a case on
23 my desk for right now, his license
24 expired January 30th, his mother passed
25 away on January 2nd, and he had to go

1 home, and he came back after three
2 months, and now he's out of a job.

3 I wish I had more time, but thank
4 you guys so much for taking the time to
5 listen.

6 CHAIR DO: Thank you for your
7 comments. I appreciate it.

8 MS. ELUTO: Our next speaker is
9 Richard Nader. You can unmute your
10 microphone and begin. Mr. Nader?

11 (No response.)

12 MS. ELUTO: I'm going to go to the
13 next speaker. Jacky Lin from IDG. Mr.
14 Lin, go ahead. Mr. Lin, you need to
15 unmute your microphone.

16 MR. LIN: Sorry. I just heard you
17 guys call my name. I do apologize. Can
18 you guys hear me?

19 MS. ELUTO: Yes.

20 MR. LIN: All right. So, you know,
21 good morning, everybody. My name is
22 Jacky. I'm one of the organizers with
23 Independent Drivers Guild. One of the
24 main reasons that we're here today, we
25 want to talk about the affidavit. You

1 know, 3 days is not enough, as everyone
2 said previously. As a matter of fact,
3 10 days is still not enough. It should
4 be like 10 business days, because with
5 the 10 business days, it allows people
6 to come and let us know if there's
7 anyone that is, you know, was in
8 violation of this stuff, within the 10
9 business days, you know, I have drivers
10 coming in and they have a hard time
11 reaching us to say "Hey, how do I fill
12 out this form?" I have a lot of Chinese
13 drivers that come in and say, "Oh, my
14 god, what do I do, what does this mean,"
15 you know, it's a big scheduling issue
16 for them as well, to get this stuff
17 figured out. 10 business days would be
18 amazing if the commissioner can allow
19 it.

20 Another thing was -- well, I'm glad
21 we talked about the 8 passenger/9
22 passenger issue, you know, that 8
23 passenger -- as passengers would be --
24 well, yeah, my friend earlier talked
25 about it and all the other previous

1 drivers. Where am I? Oh, the -- the
2 inspection thing, our state inspection,
3 the TLC Woodside inspection every two
4 years, I believe there was something was
5 mentioned about it, saying that if it
6 was not done within 60 days, that means
7 the whole license will be lost. That is
8 not right. Drivers -- as drivers, we
9 all have emergencies that come around,
10 you know, we have family emergencies.
11 We have even language barriers, some of
12 us don't check our emails right on time.
13 You know, that 60 days, if drivers miss
14 it, give us an opportunity to revise the
15 wrong. Don't just take away our
16 livelihood. As drivers, we miss a lot
17 of these things. It's nice to have more
18 questioning in case of these mistakes
19 happening. You know, earlier, if their
20 license is revoked, if that license is
21 lost, what is the driver going to do?
22 What are they going to be resulted to
23 do? They're going to be resulted to
24 rent a TLC plate, rent and buying a
25 corporation --

1 CHAIR DO: 30 seconds remaining.

2 MR. JACKY: -- renting a vehicle
3 from Tower or -- or American Lease, and
4 you well know these places are, you
5 know, they're predatory for drivers,
6 they hurt drivers even more. You know,
7 it's -- it's not fair for a driver. If
8 that happens, if that comes back where,
9 you know -- not comes back, but if that
10 comes and takes away our license, if we
11 don't get the inspection in 60 days,
12 give us an opportunity to say, "Hey,
13 have a 30-day suspension," that way, a
14 driver can still have his own plate
15 without losing anything.

16 I believe my time should be up by
17 now. I just want to thank the
18 commissioner for your time and thank you
19 for amending that utilization rate from
20 the previous hearing, and thank you very
21 much for your time.

22 CHAIR DO: Thank you, Mr. Lin, I
23 appreciate all your comments and we'll
24 consider them in some of the changes as
25 we go towards a vote in a few weeks. I

1 appreciate it.

2 MR. LIN: All right. Have a nice
3 day. Bye.

4 MS. ELUTO: Our next speaker is
5 Zachary Zimmerman. Mr. Zimmerman,
6 unmute your microphone.

7 MR. ZIMMERMAN: Yes. Hi. Can you
8 hear me?

9 MS. ELUTO: Yes.

10 MR. ZIMMERMAN: I just wanted to
11 thank the commissioner and everyone for
12 allowing me the chance to speak. Just
13 plainly, I'm -- I'm here to speak about
14 10 licenses that our company have
15 already had lost. We have been in
16 operation since 2016, and during the
17 pandemic, I know there was a lot of
18 confusion with how the storage program
19 worked, and throughout the years from
20 2020 to 2022, we had numerous back and
21 forth communication, TLC licensing
22 division and storage, where we had
23 stored our plates and had no issues
24 pulling them out of storage. About 18
25 months ago, we took steps to take 10

1 cars off the road to get ready for new
2 EVs that we actually purchased, Teslas,
3 our whole fleet, we were changing over
4 to electric vehicles, and we had taken
5 those plates off the cars, we cancelled
6 the insurance and we were waiting for
7 the cars to come in for three or four
8 months, and during that time, the rules,
9 I guess, were changed back to where the
10 60-day rule had gone back into effect
11 that had not been in effect for the two
12 years prior, and we were told, you know,
13 "you have to surrender your plates to
14 DMV, you have to submit a storage
15 request, and you have to cancel your
16 insurance." We did all of these things,
17 my team and I sent multiple storage
18 request emails and what we then followed
19 up with was that the requests were
20 denied. We weren't allowed to replace
21 these plates for off a car and in
22 storage, and during that time, you know,
23 all 10 of these plates were basically
24 just taken back on a rule that didn't
25 actually, you know, get sent out to us

1 or was updated, that was not on the
2 website that we were even aware that
3 60-day rule was back in effect because
4 for the years prior during the pandemic,
5 it wasn't.

6 The fact of the matter is, we have
7 now lost these 10 licenses and we have
8 been, you know, going back and forth
9 with licensing and through counsel to
10 try and retrieve these licenses, and it
11 was basically just on a change that we
12 were unaware of, and I think multiple --

13 CHAIR DO: You have 30 seconds
14 remaining.

15 MR. ZIMMERMAN: -- companies and
16 individuals were unaware the change was
17 made. We're asking that we can have
18 these licenses reinstated. As I had
19 said before, our whole fleet is moving
20 to electric, which is what the TLC is
21 hoping for in the next couple years to
22 electrify most of the licenses on the
23 road.

24 So I appreciate your time,
25 Commissioner, and I hope that you can

1 work with us to retrieve these licenses.

2 Thank you.

3 CHAIR DO: Thank you for your
4 comments. Our external affairs team
5 and, of course, our licensing team will
6 circle back with you if they haven't
7 already. I appreciate your comments.
8 Thank you.

9 MR. ZIMMERMAN: Thank you.

10 MS. ELUTO: I'm going to try for
11 Richard Nader again. Mr. Nader, if
12 you're available, unmute your microphone
13 and begin.

14 (No response.)

15 MS. ELUTO: Okay. No response.

16 Well, that's our last speaker. That
17 concludes our public hearing.
18 Commissioner, I turn it back to you to
19 close out our hearing.

20 CHAIR DO: Thank you, everybody, for
21 engaging in this public hearing today.
22 It's incredibly important to hear from
23 you all, so that we can make the best
24 decision as a commission, and to improve
25 rules that we are proposing. I'm very,

1 very thankful for that. I'm also
2 thankful for the commissioners who have
3 joined us today, including Sorrentino
4 and Velazquez. I appreciate your
5 volunteerism for our commission, and all
6 of this cannot be done without the
7 incredible New York City Taxi &
8 Limousine Commission team. Every month
9 they put on events like this throughout
10 all 5 boroughs, and public hearings,
11 meetings, and votes, so we can better
12 the for-hire industry for not only our
13 drivers, our stakeholders, but also for
14 our passengers.

15 And with that, have a wonderful
16 Wednesday, everybody.
