All For-Hire Vehicles (Liveries, Black Cars and Limousines), Paratransit Vehicles (Ambulettes), and Commuter Vans licensed by the New York City Taxi and Limousine Commission (TLC) will now be affixed with the same blue-colored circular decal after the vehicle passes its TLC inspection. The decal color will no longer vary between the various non-medallion industries.

No action is necessary at this time; your current decals are still valid. You will receive the new blue decal after your next scheduled inspection at TLC's Woodside Safety & Emissions facility (located at 24-55 Brooklyn Queens Expressway West, Woodside, NY 11377).
