Statement of Basis and Purpose of Proposed Rules

These proposed rules are authorized by Section 2303 of the Charter and Sections 19-503 and 19-506 of the New York City Administrative Code. These rules address technical considerations that were identified by TLC staff. The amendments are intended, among other things, to clearly differentiate situations in which a license may be suspended immediately (summary suspension) by the TLC before a hearing from situations in which a suspension can be imposed by an ALJ after a hearing as a penalty for a violation of a rule or law. The rule is intended to make sure that penalties required for rule violations are consistently applied.

The proposed rule changes to Title 35 of the Rules of the City of New York are as follows:

- Amendments to clarify when summary suspension of TLC licenses can occur prior to a hearing for certain violations;
- Amendments to clarify the penalties for certain violations, including to clarify when a suspension can be imposed by an ALJ after a hearing;

New material is underlined.
