**Statement of Basis and Purpose of Rules**

These rules are proposed pursuant to sections 1043 and 2303 of the Charter and section 19-503 of the Administrative Code of the City of New York. The rules are part of a project undertaken by the Taxi and Limousine Commission (“TLC”) to revise its existing rule book. The first phase of this project consists of reorganizing and redrafting TLC’s rules, to enhance their clarity and accessibility without substantive change. Accordingly, these rules are not intended to make any changes to TLC’s current policies, procedures or operations.

During this first phase of the rules revision project, all of TLC’s existing rules will be redrafted, then posted on a chapter-by-chapter basis on the TLC Web site for review and discussion by interested members of the public. Each chapter will be revised based on that discussion, then published for public comment and public hearing pursuant to the City Administrative Procedure Act (CAPA). Because this phase of the rules revision is intended to involve no substantive changes to the rules, and as announced at the Commission meeting held on August 7, 2008, public hearings will be held separately from monthly stated Commission meetings.

When this process has been completed for all TLC rules, the complete set of rules will be presented to the Commission for promulgation simultaneously with repeal of the current set of TLC rules. The revised rules will replace the existing rules compiled in chapter 35 of the Rules of the City of New York. It is anticipated that the promulgation of the revised rules and repeal of the current rules will occur in 2010.

After the first phase of its rules revision is completed, TLC will move to the second phase, which will involve the assessment of its rules for more substantive changes.

The rules proposed here are as follows:

Current Rule Chapters revised in this rule-making	Proposed Rule Chapters
All chapters (definitions)	Chapter 1, Definitions

The rules proposed here are intended to consolidate in one place definitions used throughout the TLC’s new rule book.
