Mobizent, LLC – Sole Source/Single Source – PIN: 156 17P00294 – DUE June 14, 2017

The New York City Taxi and Limousine Commission (“TLC”) intends to enter into a Sole Source agreement with Mobizent, LLC for upgrade of software used in conjunction with the Electronic Summoning and Administration Program (ESAP), an integral component of the TLC’s enforcement activities. The mobile portion of this program offers portable electronic handheld devices and a proprietary ticketing application named TicketWorks that TLC inspectors use to electronically create the summonses that they issue. The handheld devices currently use a mobile operating system (OS) that is approaching the end of its useful life. TLC is seeking to upgrade the system to an Android-based OS that will at once enhance mobile communications and functionality. Due to the proprietary nature of the Ticketworks application, this upgrade may only be performed by Mobizent LLC. Furthermore, the upgrade must occur in a timely manner to be in compliance with New York City’s Uniform Summons mandate.

Any firm which believes that it can also provide these services under said restrictions or in the future is invited to so indicate in writing, which must be received no later than 5:00 PM EST on June 14, 2017 to the attention of Jeremy Halperin, Agency Chief Contracting Officer, at 33 Beaver Street, 19th Floor, New York, NY 10004, or via e-mail at halperinj@tlc.nyc.gov.
