## **NOTICE: Payment of Round-Trip Tolls Rules Amendments**

Effective November 29, 2023, the payment of round-trip tolls is changed as follows:

A passenger must pay all tolls incurred during a trip, except for when coming from:

- Rockaway Peninsula going over the Cross Bay Veterans Memorial Bridge into Queens
- Rockaway Peninsula going over the Marine Parkway – Gil Hodges Memorial Bridge into Brooklyn
- Staten Island over the Verrazzano Narrows Bridge into Brooklyn

A passenger must pay the toll two times (2x) incurred during a trip when coming from:

- Queens going over the Cross Bay Veterans Memorial Bridge into Rockaway Peninsula
- Brooklyn going over the Marine Parkway – Gil Hodges Memorial Bridge into Rockaway Peninsula
- Brooklyn going over the Verrazzano Narrows Bridge into Staten Island.

The rule changes apply to all yellow taxis, street-hail liveries (SHLs), and for-hire vehicles, which includes liveries, black cars, and limos. All meters for yellow taxis and SHLs must be adjusted by November 29, 2023.

**Example:** When a driver picks up a passenger from the Rockaway Peninsula and the passenger wants to go to Queens, the passenger

does not have to pay the toll for the Cross Bay Veterans Memorial Bridge.

**Example:** When a driver picks up a passenger from Brooklyn and the passenger wants to go into Staten Island, the passenger must pay the toll two times (2x).

For any questions related to your meter for a yellow taxi or SHL, please contact your TSP provider.
