**Notice: List of Alternative Fuel Minifleet Medallions
Subject to Accessibility Requirements**

Beginning February 20, 2024 the below Minifleet, Alternative Fuel Medallions must comply with the accessibility requirements provided in TLC Rule 58-50(a)(2), Accessible Vehicle Conversion.

Any medallion in such a Minifleet will be required to place vehicles that are both 1) **Alternative Fuel** and 2) **Accessible** into service when their current vehicle is retired, or where the vehicle is changed for any other reason, including due to accident, until at least 50% of such Minifleet is hacked up with approved Alternative Fuel, Accessible Vehicles. Currently, the Chrysler Pacifica Hybrid Accessible and Toyota Sienna Hybrid Accessible Vehicles are approved as Alternative-Accessible options.

The owners of the below medallions will receive a letter from the TLC detailing their obligations and next steps.
