Faster Processing—Apply for a New TLC Driver's License Online or Make your Renewal Payment Online

The New York City Taxi and Limousine Commission (TLC) would like to remind all new and existing licensees of the option for online application processing through TLC's License Application, Renewals and Summons Payments (LARS) system. Should you need access to a computer, you can visit your local library branch where Internet access is free for all. Potential licensees can submit new driver applications online. Current licensees can also submit license renewal payments through LARS.

To use this online system for a new application, you must have:

- a valid e-mail address
- a valid checking account, credit card or debit card
- a DMV license and a Social Security Number
- access to a printer

To access the online system for a renewal application, you must have:

- your current TLC license
- your DMV license number or your Vehicle Identification Number (for Driver of Vehicle Owners)
- access to a printer

An emailed receipt of all transactions will be sent to the email address you provide. Additional benefits of applying for a license through LARS are:

- Faster processing times than paper applications
- Applicants able to receive email correspondence regarding their application

For complete instructions on how to submit an application online through LARS, please visit:

http://www.nyc.gov/html/tlc/downloads/pdf/tlc_lars_user_guide.pdf

You can access the online application at: <https://www1.nyc.gov/lars/>.

Upon submission of your TLC Driver's License application, TLC staff will do an initial review of your application. You will then be notified via email if additional information or clarifications are needed or, if not, that you are ready to come to our Licensing facility to be fingerprinted, no appointment necessary. When you come in you will be required to bring:

- Payment Receipt
- Printed copy of your online application
- Part B of the Driver License Application
- All additional requirements listed on the checklist and instructions

If you have questions, please contact the TLC Call Center at 718-391-5501.
