TLC PUBLISHES LIST OF UNRESTRICTED INDEPENDENT MEDALLIONS ENTERED INTO JUNE 25, 2015 ACCESSIBILITY DRAWING

The New York City Taxi and Limousine Commission (TLC) wishes to inform its licensees that it has published the list of medallions that will be entered into the accessibility drawing to occur on June 25, 2015.

This accessibility drawing will be limited to those unrestricted independent medallions with vehicles that are scheduled to retire between January 1, 2016 and December 31, 2016. The drawing will occur in two parts: the first part for medallions with vehicle retirement dates between January 1, 2016 and June 30, 2016; and the second part for medallions with vehicle retirement dates between July 1, 2016 and December 31, 2016.

The medallions selected in the drawing will be required to place an approved accessible vehicle into service when their current vehicle is retired (first retirement cycle). The medallions not selected in the drawing are not required to place an accessible vehicle into service when their current vehicle is retired. However, each medallion's accessibility requirement will alternate during each subsequent retirement cycle. For example, those medallions not selected in this drawing will be required to hack up an accessible vehicle in the next (subsequent) retirement cycle.

The drawing will be conducted at the NYC Taxi and Limousine Commission offices at 33 Beaver Street, 19th Floor, New York, NY 10004 at 10:00 A.M. We encourage all interested parties to attend. For those unable to attend, real-time video of the event will be available at <http://www.livestream.com/nyctaxi>. The TLC will post results of the drawing on its website within twenty-four (24) hours. All medallion owners entered into the drawing will then receive a letter detailing the results of the drawing and next steps. The TLC will soon be providing detailed information about funding programs available to eligible licensees to assist with vehicle conversion costs.
