Statement of Basis and Purpose

This proposed rule package will substantially increase the Hack-Up Payment to Medallion Owners in order ease the burden of compliance with TLC’s recently adopted rule requiring that all taxicab hack-ups must be with Wheelchair Accessible Vehicles.

In order for TLC’s Taxicab Improvement Fund (“TIF”) to afford the increased upfront payments, the proposal will eliminate the Accessible Vehicle Operation Payments that were previously paid to Medallion Owners under rule 58-50(h)(1)(ii) and the per-trip payment previously paid to Drivers of Accessible Taxicabs under rule 58-50(h)(2). Elimination of these payments became essential when the Memorandum Decision and Order of the United States District Court, Southern District of New York was released on August 29, 2024 (*The Taxis for All Campaign, et al v. TLC, et al* (11 Civ. 0237 (GBD))).

That Order mandates that the TLC “immediately take all necessary steps to modify TLC’s current 50% rule to implement a 100% Rule” to ensure that 50% of all active Medallions (those Medallions currently affixed to Taxicab Vehicles and not in storage) are being operated with a Wheelchair Accessible Vehicle (“WAV”) by March 31, 2025 and 50% of all authorized Medallions are attached to a WAV by the end of 2028.

Savings realized by eliminating the per-trip bonuses to Drivers and Operational Payments to Medallion Owners will be used to more than double the Hack-Up Payment amount to Medallion

Owners described in TLC Rule 58-50(h)(1)(i), from the current figure of \$14,000.00 to a new total of \$35,000.00.

For many Medallion Owners, purchasing and hacking up a WAV has become prohibitively expensive, despite the monies from the TIF that have been used to help Medallion Owners defray such costs in the past.

The manufacturer's suggested retail price ("MSRP"), when combined with expected sales taxes, expected fees, and standard financing, has climbed steadily in recent years to levels that put these vehicles out of reach for many buyers. For several of the most popular wheelchair accessible vehicles, the total cost estimate ranges anywhere from \$79,468.00 for a Ford Transit Connect Accessible to \$99,029.00 for a Toyota Sienna Hybrid Accessible. In contrast, the total cost estimate for the most popular non-accessible taxi vehicles ranges from \$40,345.00 for a Toyota Camry Hybrid to \$50,778.00 for a Ford Escape Hybrid. On average, the total cost of a WAV is almost twice that of a non-accessible vehicle.

This vast price differential has become cost-prohibitive for many private vehicle owners, ultimately forcing them to permanently take their vehicles out of service after retirement or risk declaring bankruptcy.

This rule package and the increased Hack-Up Payment amount that it contains, are designed to address these concerns.

TLC proposes the following changes in this rule package:

- updating the TIF definition by removing the option to use TIF funds for purposes beyond the costs of purchasing Accessible Vehicles, such as driver training and the Accessible Vehicle dispatch program.
- removing Taxi Improvement Driver Incentive Payments from the authorized non-cash payments made by Technology System Providers and E-Hail Application Providers to Drivers who lease Taxis.
- specifying that TIF may only be allocated to Medallion owners placing an accessible vehicle into service and removing authorized allocations to Drivers of Medallion vehicles.
- increasing TIF hack up payments from \$14,000 to \$35,000 and eliminating the \$16,000 allocation for operational payments going towards the maintenance of the accessible vehicle.
- establishing the TIF grant terms for Medallion owners receiving the initial hack up payment.
- repealing the technical requirements for Technology System Providers and E-Hail Application Providers relating to Taxi Improvement Driver Incentive Payments.

Monies remitted to the Taxicab Improvement Fund will be used to make grants of equal, set amounts to all vehicle owners of vehicles in use with Medallions who will be required to purchase Accessible Vehicles under Section 58-50 of these rules. [Monies in the Fund may also be used for other purposes, including, but not limited to, offsetting the costs associated with driver training and funding the Accessible Vehicle dispatch program established in Chapter 53 of these rules. [For trips provided in WAV vehicles, the Taxicab Improvement Driver Incentive Payment (as specified in TLC Rule 58-50(h)(2)) shall be paid directly to the Driver by the Technology System Provider and/or E-Hail Application Provider at the time and in the manner required by the Commission.] Drivers leasing a Taxicab on a weekly basis under section 58-21(c)(1)(i)E, 58-21(c)(1)(i)F, 58-21(c)(2)(i)E or 58-21(c)(2)(i)F may, at the Driver's discretion, be paid on a weekly basis.  - (i) Pay the Driver, including any sublessee Drivers, and if the Owner or the Owner's Agent delegates or assigns this responsibility to another party, the Owner or the Owner's Agent shall be responsible for making full payment to the Driver if any designee or assignee fails to pay the Driver as required, and Driver reports non-payment to the Owner or Owner's Agent within 90 days of non-payment.

- (2) For any lease not described in paragraph (1), an Owner (or Owner's Agent) must pay the Driver, on no less than a weekly basis, the total amount of all non-cash payments, including E-Payments through Technology System (if any), made during that period, less the Taxicab Improvement Surcharge payable to the Taxicab Improvement Fund as set forth in Section 66-25. [For trips provided in WAV vehicles, the Taxicab Improvement Driver Incentive Payment (as specified in TLC Rule 58- 50(h)(2)) shall be paid directly to the Driver by the Technology System Provider and/or E-Hail Application Provider at the time and in the manner required by the Commission.] Payments to a Driver and access to these funds must be provided at no cost to the Driver. Section 3. Subdivision (h) of section 58-50 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (h) *Taxi Improvement Fund Allocations.* Owners of Medallions who are seeking to place an accessible Taxicab into service and [Drivers of Medallions] who have submitted all required forms and documentation as specified by the Chairperson will receive allocations from the Taxi Improvement Fund as follows:

- [(1) Owners of Medallions who have placed an Accessible Taxicab into service as required under subdivisions (a) through (c) will receive:
- (i)] *Hack-up Payment.* A one-time subsidy payment of at least \$[14]35,000, determined by the Commission and posted on the Commission's website. Such payment will be the same for all eligible Medallion Owners. Such a payment will be allocated to a Medallion only if the Accessible Vehicle operating on such Medallion has not previously received such a payment. This determination will be based on the Vehicle Identification Number (VIN) of the Accessible Vehicle.
- [(ii) *Accessible Vehicle Operational Payments.* A series of equal payments adding up to a total of \$16,000. The frequency and amount of such payments will be determined by the Commission and posted on the commission's website, but such payments will be made at least three (3) times per year.  - (3) Allocation amounts provided for in paragraphs (1) and (2) of this subdivision will be reviewed and adjusted as provided in subdivision (h) of this section.]

Section 4. Section 58-50 of Title 35 of the Rules of the City of New York is amending by adding a new subdivision (i), to read as follows:

- (ii) The Medallion Owner must place the Accessible Vehicle into service before the payment from the Taxi Improvement Fund will be provided to the Medallion Owner.
- (iii) A Medallion will be eligible for a Taxi Improvement Fund grant once every seven years. Provided, however, that in no instance will a grant be paid more than once for the same Accessible Vehicle.

(2) No Outstanding Fines or Fees.

All open items against the Medallion Owner must be cleared, including but not limited to summonses issued by the Commission, outstanding fines and penalties owed to the Commission and incomplete License renewal requirements.

(3) Causes For Denial.

The Chairperson may deny a Taxi Improvement Fund application submitted by an Owner who fails to meet the requirements of these rules. The Commission will inform the Owner, in writing, of the specific reason(s) for this denial. In addition to other reasons set forth in this subchapter, the Chairperson may deny an application for funding if any of the following occurs:

- (i) The Medallion Owner has failed to submit all of the required documentation within 30 days of the initial submission of the Taxi Improvement Fund application.
- (ii) The history of the Medallion Owner, including substantiated complaints of fraudulent activity or criminal convictions, indicates that, in the judgment of the Chairperson, the application should be denied.

- (iv) The Owner attempts to conceal the identity of a party having an interest in the ownership of the Medallion.

(4) Additional Consideration of an Application for a Taxi Improvement Fund Grant.

This request for additional information may be an in-person interview, telephone call, letter, e-mail, or other method of communication. This additional consideration may result in the denial of the application. Failure to provide any requested information within the time frame requested, or failure to appear at a scheduled interview will result in denial of the application of the Taxi Improvement Fund grant.

(5) Service Requirements.

- (i) The Taxi Improvement Fund allocation will be awarded for a qualified Accessible Vehicle as defined in section 67-06(b)(1) of TLC Rules.
- (ii) The Vehicle Identification Number (VIN) of the qualified Accessible Vehicle will be recorded by TLC for the purposes of TIF funding allocation. The Taxi Improvement Fund allocation will only be available for a specific VIN on one occasion.

(6) Failure to Meet Requirements.

(i) If the Medallion Owner fails to keep an Accessible Vehicle in service for the full period of five years, the equivalent of funds on a pro rata basis, determined by the number of months an Accessible Vehicle was not in service during the 5-year period beginning when the grant was made available to the Medallion owner, must be repaid by the Medallion Owner to the Commission.

(ii) The Accessible Vehicle must remain active for the full period of five years, in accordance with Administrative Code Section 19-504(g), except where storage is required by TLC Rule 58-30(c), TLC Rule 58-46(a) or TLC Rule 58-46(c).

(iii) The Medallion Owner must comply with orders from the Commission to repair or replace the Accessible Vehicle within 10 days.
