A meeting of the Board of Directors (the “Board”) of the New York City Transitional Finance Authority (the “Authority”) was held on July 10, 2024 at approximately 4:06 p.m., conducted at 255 Greenwich Street, Room 6M4, New York, New York 10007.

The following Board members attended, represented by their designees:

Jacques Jiha, Director of the Mayor’s Office of Management and Budget for The City of New York (the “City”), represented by David Womack;

Preston Niblack, Commissioner of the Department of Finance of the City, represented by Dara Jaffee;

Brad Lander, Comptroller of the City, represented by Jay Olson;

Thomas Foley, Commissioner of the Department of Design and Construction of the City, represented by Rachel Laiserin; and

Adrienne Adams, Speaker of the City Council, represented by Hector German;

constituting a quorum of the Board. Claudia Martinez served as secretary of the meeting.

Also in attendance were members of the public, officers of the Authority and employees of various agencies of the City and the State of New York, who joined in-person and remotely.

The meeting was called to order by Mr. Womack, the Chairperson of the Board.

Approval of Minutes

The first item on the agenda was the approval of the minutes of the previous meeting of the Board which occurred on May 7, 2024. There being no discussion and following a unanimous vote, the following resolution was adopted:

WHEREAS, the Board of Directors of the New York City Transitional Finance Authority has reviewed the minutes of its meeting held on May 7, 2024; it is therefore

RESOLVED, that the minutes of the meeting of May 7, 2024 be, and they hereby are, approved.

Approval of the 134th Series Resolution Authorizing the Issuance of Fiscal 2025 Series A & B Future Tax Secured Bonds

The second item on the agenda was the approval of the One Hundred and Thirty-Fourth Series Resolution Authorizing Up to \$2,900,000,000 Future Tax Secured Bonds (the “134th Series Resolution”)¹. Mr. Womack explained that the 134th Series Resolution would approve the issuance of up to \$2.9 billion of the Authority’s Fiscal 2025 Series A and B Future Tax Secured refunding bonds.

Mr. Womack explained that the transaction could include the refunding of certain series of the Authority’s Build America Bonds (“BABs”) using an extraordinary optional redemption given the occurrence of an Extraordinary Event. Mr. Womack also noted that the Authority posted a notice on the Electronic Municipal Market Access database to notify the marketplace that the Authority is considering such a refunding. The notice was included in the Board’s materials for reference².

He further noted that this action had been recommended by the Finance Committee. There being no discussion, following a unanimous vote, the 134th Series Resolution was adopted.

Authorization of Bond Counsel Contracts

The third and final item on the agenda was a resolution which would authorize the Authority to enter into new agreements with its current bond counsel, as it prepares to issue a competitive request for proposals for these services. The Board previously authorized agreements

with Norton Rose Fulbright and Bryant Rabbino to serve as co-bond counsel for the Authority's Future Tax Secured Bond issuances, and with Katten Muchin Rosenman and Hardwick LLC to serve as co-bond counsel for the Authority's Building Aid Revenue Bond issuances.

The proposed resolution would authorize the Authority to enter into new agreements for a period from September 1, 2024 through August 31, 2025, for the rates included in Schedule I and Schedule II of the proposed resolution, which had been included in the Board's materials for reference. Mr. Womack explained that entering into the proposed agreements would ensure that there is no lapse in bond counsel services while the Authority completes a competitive request for proposals for such services.

There being no discussion and following a unanimous vote, the following resolution was adopted:

WHEREAS, the Authority is authorized, pursuant to Section 2799-ee of the Act, to retain or employ bond counsel; and

WHEREAS, the Board of Directors (the "Board") of the Authority previously authorized entering into agreements with Norton Rose Fulbright ("Norton Rose") and Bryant Rabbino LLP ("Bryant Rabbino") to serve as co-bond counsel to the Authority for its Future Tax Secured Bonds for a period through August 31, 2024; and

WHEREAS, the Board of the Authority previously authorized entering into agreements with Katten Muchin Rosenman LLP ("Katten") and Hardwick LLC ("Hardwick") to serve as co-bond counsel to the Authority for its Building Aid Revenue Bonds ("BARBs") for a period through August 31, 2024; and

WHEREAS, the Authority plans to issue a competitive request for proposals for bond counsel services in the coming year; and

WHEREAS, to ensure there is no lapse in service during that process the Authority staff now seeks to enter new agreements with Norton Rose and Bryant Rabbino to serve as co-bond counsel for the Authority's Future Tax Secured Bonds for the rates listed in Schedule I below and with Katten and Hardwick to serve as co-bond counsel for the Authority's BARBs for the rates listed in Schedule II below; it is therefore

RESOLVED, that the Board of the Authority hereby approves and authorizes the Authority to enter into agreements with Norton Rose and Bryant Rabbino to serve as co-bond counsel to the Authority for its Future Tax Secured Bonds for the period from September 1, 2024 through August 31, 2025 for rates not to exceed those listed on Schedule I, provided that, for

special projects, the fee shall be the same as the most closely related transaction listed in Schedule I, at the discretion of an Authorized Officer of the Authority, and provided that such agreement contains such other terms and conditions that such Authorized Officer deems prudent and reasonable; and it is

FURTHER RESOLVED, that the Board of the Authority hereby approves and authorizes the Authority to enter into agreements with Katten and Hardwick to serve as co-bond counsel to the Authority for its BARBs for the period from September 1, 2024 through August 31, 2025 for rates not to exceed those listed on Schedule II, provided that such agreement contains such other terms and conditions that such Authorized Officer deems prudent and reasonable.

Approval of Minutes

WHEREAS, the Finance Committee has reviewed the minutes of its meeting held on July 10, 2024 it is therefore

RESOLVED, that the minutes of the meeting of July 10, 2024 be, and they hereby are, approved.

**MINUTES OF THE MEETING OF THE FINANCE COMMITTEE OF
THE NEW YORK CITY TRANSITIONAL FINANCE AUTHORITY**

July 10, 2024

A meeting of the Finance Committee (the “Committee”) of the New York City Transitional Finance Authority (the “Authority”) was held on July 10, 2024, at approximately 4:00 p.m., conducted at 255 Greenwich Street, Room 6M4, New York, New York 10007.

The following Committee members attended, represented by their designees:

Jacques Jiha, Director of the Mayor’s Office of Management and Budget for The City of New York (the “City”), represented by David Womack;

Preston Niblack, Commissioner of the Department of Finance of the City, represented by Dara Jaffee;

Brad Lander, Comptroller of the City, represented by Jay Olson;

Thomas Foley, Commissioner of the Department of Design and Construction of the City, represented by Rachel Laiserin; and

Adrienne Adams, Speaker of the City Council, represented by Hector German;

constituting a quorum of the Committee. Claudia Martinez served as secretary of the meeting.

Also in attendance were members of the public, officers of the Authority and employees of various agencies of the City and the State of New York, who joined in-person and remotely.

The meeting was called to order by Mr. Olson, the Chairperson of the Committee.

Approval of Minutes

The first item on the agenda was the approval of the minutes of the previous meeting of the Committee which occurred on May 7, 2024. Upon unanimous vote, the following

resolution to adopt such minutes was adopted:

WHEREAS, the Finance Committee has reviewed the minutes of its meeting held on May 7, 2024; it is therefore

RESOLVED, that the minutes of the meeting of May 7, 2024 be, and they hereby are, approved.

Recommendation to the Board of Directors for Approval of the 134th Series Resolution Authorizing the Issuance of Fiscal 2025 Series A & B Future Tax Secured Bonds

The second and final item on the agenda was a recommendation to the Board of Directors that it approve the One Hundred and Thirty-Fourth Series Resolution Authorizing Up To \$2,900,000,000 Future Tax Secured Bonds (the “134th Series Resolution”). Mr. Olson noted that the 134th Series Resolution would authorize the issuance of up to \$2.9 billion of Fiscal 2025 Series A and Fiscal 2025 Series B Future Tax Secured Bonds. Mr. Olson explained that the Authority expects to issue up to \$1.9 billion of tax-exempt bonds and \$200 million of taxable bonds but has built a cushion to accommodate for fluctuating market conditions. Mr. Olson provided the details of the issuance, the refunding portion, including the expected and maximum true interest costs of each subseries, the expected pricing date, bid date, and closing date.

Mr. Olson also noted that as part of the transaction, the Authority may refund certain series of its Build America Bonds (“BABS”) using an extraordinary option redemption. He explained that Authority’s BABS issuances allow for an extraordinary option redemption at an extraordinary option redemption price prior to their stated maturity dates upon the occurrence of an Extraordinary Event, which will have occurred with respect to BABS if Section 54AA or Section 6431 of the Internal Revenue Service Code is modified, amended, or interpreted in a manner pursuant to which the Authority’s 35% cash subsidy payment from the United States Treasury is reduced or eliminated. Mr. Olson further explained that while there is some debate as to whether an

Extraordinary Event has occurred as defined in Authority’s offering documents, the Authority, after consultation with its bond counsel, financial advisors, as well as the City Law Department and City Comptroller, has determined that the federal government’s automatic spending reductions, which have reduced annual BABs subsidy payments since 2013, constitute an Extraordinary Event. Mr. Olson went on to provide additional information regarding the BABs.

There being no further discussion and following a unanimous vote, the following resolution was adopted:

WHEREAS, pursuant to the New York Public Authorities Law, the Finance Committee of the New York City Transitional Finance Authority (the “Authority”) is charged with reviewing proposals for the issuance of debt by the Authority and making recommendations to the Board; and

WHEREAS, the Finance Committee has received and reviewed the 134th Series Resolution Authorizing the Issuance of Fiscal 2025 Series A & B Future Tax Secured Bonds and deems it to be reasonable and prudent; it is therefore

RESOLVED, that the Finance Committee recommends to the Board the approval of the 134th Series Resolution Authorizing the Issuance of Fiscal 2025 Series A & B Future Tax Secured Bonds.

Adjournment

There being no further business to come before the Committee, upon unanimous vote, the meeting was duly adjourned.

This bond is a Multi-Modal Bond, constitutes Parity Debt secured on a parity with the Authority’s other Parity Debt, and is one of a Series of Bonds representing a borrowing of \$[_____] under chapter 16, laws of New York, 1997, as amended, and pursuant to an Amended and Restated Original Indenture, as restated January 25, 2024, and as supplemented, between the Authority and the Trustee (the “Indenture”). Reference is made to the Indenture for a description of the funds pledged and for the provisions with respect to the incurring of indebtedness on a parity with the Senior Bonds and to the rights, limitations of rights, duties, obligations and immunities of the Authority, the City, the State, the Trustee and the Bondholders, including restrictions on the rights of the Bondholders to bring suit. Definitions given or referred to in the Indenture are incorporated herein by this reference. The Indenture (including the terms of this bond) may be amended to the extent and in the manner provided therein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and statutes of the State to exist, to have happened and to have been performed precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the Series of Bonds of which this is one, together with all other indebtedness of the Authority, is within every debt and other limit prescribed by the Constitution and laws of the State.

In the Act, the State has made a pledge and agreement with the Holders of the Outstanding Bonds that the State will not limit or alter the rights vested in the Authority by the Act to fulfill the terms of any agreements made with such Holders pursuant to the Act, or in any way impair the rights and remedies of such Holders or the security for such Bonds until such Bonds, and all costs and expenses in connection with any action or proceeding by or on behalf of such Holders, are fully paid and discharged. The Act does not restrict the right of the State to amend, modify, repeal or otherwise alter statutes imposing or relating to the Personal Income Taxes, but such taxes payable to the Authority shall in all events continue to be so payable so long as any such taxes are imposed. Not less than 30 days prior to the beginning of each City fiscal year, the Chairperson of the Authority shall certify to the State Comptroller, the Governor, and the Directors of the

Authority a schedule of maximum annual debt service on the Bonds and Notes. To the extent that the Personal Income Taxes during such fiscal year are projected by the Mayor to be insufficient to meet at least 150% of maximum annual debt service on the Bonds, the Mayor shall so notify the State Comptroller and the State Comptroller shall pay to the Authority from Sales Taxes such amount as is necessary to provide at least 150% of such maximum annual debt service. The Act does not obligate the State to make any additional payments or impose any taxes to satisfy the debt service obligations of the Authority.

Pursuant to the Act, the City has made a pledge and agreement with the Holders of the Outstanding Bonds that the City will not limit or alter the rights vested in the Authority by the Act to fulfill the terms of any agreements made with such Holders pursuant to the Act, or in any way impair the rights and remedies of such Holders or the security for such Bonds until such Bonds, and all costs and expenses in connection with any action or proceeding by or on behalf of such Holders, are fully paid and discharged. The Act does not restrict any right the City may have to amend, modify or otherwise alter local laws imposing or relating to the Personal Income Taxes so long as, after giving effect to such amendment, modification or other alteration, the amount of Tax Revenues projected by the Mayor to be available to the Authority during each of its fiscal years following the effective date of such amendment, modification or other alteration shall be not less than 150% of maximum annual debt service on the Bonds.

The Authority has covenanted with the Holders of the Outstanding Bonds of this Series to comply with the financial reporting requirements of, and to limit its issuance of bond anticipation notes as required by, the Act as in effect from time to time.

The State has covenanted with the purchasers and with all subsequent Holders and transferees of the Bonds, in consideration of the acceptance of payment for the Bonds, that the Bonds and the income therefrom and all revenues, monies, and other property pledged to pay or to secure the payment of such Bonds shall at all times be free from taxation.

Neither the Directors of the Authority nor any person executing this bond shall be liable personally thereon or be subject to any personal liability or accountability solely by reason of the issuance hereof.

The bonds of this Subseries maturing May 1, 20__ and bearing interest at a rate of __% are term bonds subject to mandatory redemption at a redemption price equal to 100% of the principal amount thereof, plus accrued interest, without premium, on the dates and in the amounts set forth below:

| <u>May 1,</u> | <u>Principal Amount to be</u> |

*

* Stated Maturity.

The Authority may credit against any annual amount subject to mandatory redemption, the principal amount of any Subseries C-1 Term Bonds of the same maturity and interest rate that have been defeased, purchased for cancellation or redeemed and not previously so credited.

The bonds of this Subseries maturing after May 1, 2034 are subject to optional redemption or mandatory tender, in each case, at the option of the Authority prior to their stated maturity dates, in whole or in part, on any date on or after November 1, 2034 upon 30 days' notice, at a price of 100% of their principal amount plus accrued interest to such redemption or tender date.

The bonds of this Subseries maturing on or prior to May 1, 2034 are subject to optional redemption or mandatory tender prior to their stated maturity dates at the option of the Authority, in whole or in part on any date (the "Make-Whole Call Date"), at a make-whole price (the "Make-Whole Redemption Price") equal to the greater of:

(1) one hundred percent (100%) of the Amortized Value (as defined below) of the Bonds to be redeemed or tendered; or

(2) the sum of the present value of the remaining scheduled payments of principal and interest on the Bonds to be redeemed or tendered from and including the Make-Whole Call Date to the maturity date of such Bonds, not including any portion of those payments of interest accrued and unpaid as of the Make-Whole Call Date, discounted to the Make-Whole Call Date on a semiannual basis, assuming a 360-day year consisting of twelve 30-day months, at a discount rate equal to the greater of (a) the Applicable Tax-Exempt Bond Rate (as defined below) minus basis points; or (b) zero basis points;

plus, in each case, accrued interest on such Bonds to the Make-Whole Call Date.

"Amortized Value" means the product of the principal amount of the Bonds to be redeemed or tendered and the price of such Bonds expressed as a percentage, calculated based on the industry standard method of calculating bond prices, with a delivery date equal to the Make-Whole Call Date, a maturity date equal to the maturity date of such Bonds and a yield equal to the yield of such Bonds as shown on the inside cover page of the Offering Circular dated September 12, 2024 relating to the Bonds.

"Applicable Tax-Exempt Bond Rate" means the "Interpolated AAA Yields" rate for the maturity date of the Bonds to be redeemed or tendered, as published by the Municipal Market Data ("MMD") at least five calendar days, but not more than 60 calendar days, prior to the Make-Whole Call Date of the Bonds to be redeemed or tendered, or if no such rate is established for the applicable maturity date, the "Interpolated AAA Yields" rate for the published maturities closest to the applicable maturity date.

Should the MMD no longer publish the "Interpolated AAA Yields" rate, then the Applicable Tax-Exempt Bond Rate will equal the "BVAL Muni AAA Monthly Callable Yields" rate for the maturity date (made available by Bloomberg at the close of each business day). In the further event that Bloomberg no longer publishes the "BVAL Muni AAA Monthly Callable Yields" rate, the Applicable Tax-Exempt Bond Rate will be determined by a verification agent appointed by the Authority, based upon the rate per annum equal to the semiannual equivalent yield to maturity for those tax-exempt general obligation bonds rated in the highest rating category

by Moody's and S&P, with a maturity date equal to the maturity date of such Bonds having characteristics (other than the ratings) most comparable to those of such Bonds in the judgment of the verification agent. The verification agent's determination of the Applicable Tax-Exempt Bond Rate shall be final and binding in the absence of manifest error.

The Make-Whole Redemption Price will be determined by a verification agent, investment banking firm or financial advisor (which verification agent, investment banking firm or financial advisor shall be retained by the Authority at the expense of the Authority) in order to calculate such Make-Whole Redemption Price. The Trustee and the Authority may conclusively rely on such verification agent's, investment banking firm's or financial advisor's determination of such Make-Whole Redemption Price and will bear no liability for such reliance.

The Authority may cause a mandatory tender of this bond on any date such bond is subject to optional redemption at the applicable optional redemption price by giving 10 days' (30 days' in the Fixed Rate Mode) Written Notice to the Holder, subject to the Authority's providing a source of payment therefor in accordance with the Indenture and the Act.

In the event that the bonds of this Subseries are defeased to their maturity, the Authority expects that such Bonds will remain subject to optional redemption by the Authority.

The Authority may redeem or cause the mandatory tender of subseries, amounts, maturities and interest rates of bonds that are subject to optional redemption in its sole discretion. If less than all of the Outstanding bonds of this Subseries, maturity, amount and interest rate are to be called for redemption or mandatorily tendered, such bonds shall be selected by lot or another method reasonably acceptable to the Trustee.

The bonds of this Subseries shall be redeemable upon the giving of notice, identifying such bonds or portions thereof to be redeemed, by mailing or transmitting such notice to the registered owners thereof at their respective addresses shown on the registration books maintained by the Trustee at least 30 days and not more than 60 days prior to the date set for redemption. If notice of redemption shall have been given as aforesaid, the Bonds or portions thereof to be redeemed shall become due and payable at the redemption price on the redemption date designated in the notice of redemption, and interest thereon shall cease to accrue from and after the designated redemption date. Failure to mail or transmit any such notice to any registered owner or any defect in any notice so mailed or transmitted shall not affect the validity of the proceedings for redemption of the bonds of other registered owners. If this bond is redeemed in part, upon surrender hereof, the Authority shall cause to be delivered to the registered owner a bond in like form in the principal amount equal to that part of this bond not being redeemed.

The bonds of this Subseries are entitled to the benefit of covenants in the Indenture relating to Federal income taxation.

The bonds of this Subseries are issuable only in fully registered form in the denomination (maturity value) of \$5,000 or any integral multiple thereof or as specified in the Indenture, and may not be converted into bearer bonds.

The Authority, the Trustee and each Paying Agent may treat the registered owner as the absolute owner of this bond for all purposes, notwithstanding any notice to the contrary. This bond is transferable by the registered owner hereof in accordance with the Indenture and the Act.

Upon the direction of the Authority, the Multi-Modal Bonds may be Converted pursuant to the Indenture.

Reference is made to the Indenture for the further terms of the bonds, to all of which the Holder of this bond is conclusively deemed to assent. Terms defined in the Indenture are used herein as so defined. The Indenture is available for inspection at the office of the Trustee during business hours.

The respective covenants of the Authority, the City and the State with respect hereto shall be fully discharged and of no further force and effect at such time as this bond, together with interest thereon, shall have been paid in full at maturity, or shall have otherwise been refunded, redeemed, defeased or discharged.

IN WITNESS WHEREOF, the NEW YORK CITY TRANSITIONAL FINANCE AUTHORITY has caused this bond to be executed in its name by its Executive Director and attested by its Secretary by their facsimile signatures and its seal or a facsimile thereof to be impressed or imprinted hereon, all as of the 1st day of October, 2024.

PRINCIPAL AMOUNT: _____ DOLLARS (\$_____)

THE NEW YORK CITY TRANSITIONAL FINANCE AUTHORITY (the “Authority”), a public benefit corporation of the State of New York (the “State”), for value received promises to pay to the registered owner of this bond, on the maturity date set forth above, the principal amount set forth above and to pay interest on such principal amount at the rate of interest set forth above from October 1, 2024, or from the most recent payment date to which interest has been paid, but if the date of authentication of this bond is after the fifteenth day of the calendar month immediately preceding an interest payment date, interest will be paid from such interest payment date. Interest at such rate will be paid on May 1 and November 1 of each year, beginning May 1, 2025, and upon redemption or mandatory tender at or prior to maturity, as set forth herein, by wire transfer, at the discretion of the Authority, or by check mailed to the address of the registered owner hereof as shown on the registration books of the Authority as maintained by The Bank of New York Mellon, as trustee (the “Trustee”), as of the close of business on the fifteenth day of the calendar month immediately preceding the applicable interest payment date. Interest shall be calculated on the basis of a year of 360 days and twelve 30-day months.

This bond shall not be a debt of either the State or The City of New York (the “City”), and neither the State nor the City shall be liable hereon, nor shall it be payable out of any funds other than those of the Authority.

Principal of this bond and applicable redemption premium, if any, are payable in any coin or currency of the United States of America which on the date of payment is legal tender for the payment of public and private debts, upon presentation and surrender of this bond when due and payable at the office of the Trustee or of such other Paying Agent as may hereafter be designated by the Authority.

All money paid to the Paying Agent for the payment of the principal of, redemption premium, if any, or interest on any bond that remains unclaimed at the end of two years after such principal, redemption premium, if any, or interest shall have become due and payable will be paid to the Authority, and the holder of such bond shall thereafter look only to the Authority for payment.

This bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon has been dated and manually signed by the Trustee.

This bond is a Multi-Modal Bond, constitutes Parity Debt secured on a parity with the Authority’s other Parity Debt, and is one of a Series of Bonds representing a borrowing of \$[_____] under chapter 16, laws of New York, 1997, as amended, and pursuant to an Amended and Restated Original Indenture, as restated January 25, 2024, and as supplemented, between the Authority and the Trustee (the “Indenture”). Reference is made to the Indenture for a description of the funds pledged and for the provisions with respect to the incurring of indebtedness on a parity with the Senior Bonds and to the rights, limitations of rights, duties, obligations and immunities of the Authority, the City, the State, the Trustee and the Bondholders, including restrictions on the rights of the Bondholders to bring suit. Definitions given or referred to in the Indenture are incorporated herein by this reference. The Indenture (including the terms of this bond) may be amended to the extent and in the manner provided therein.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and statutes of the State to exist, to have happened and to have been performed precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the Series of Bonds of which this is one, together with all other indebtedness of the Authority, is within every debt and other limit prescribed by the Constitution and laws of the State.

In the Act, the State has made a pledge and agreement with the Holders of the Outstanding Bonds that the State will not limit or alter the rights vested in the Authority by the Act to fulfill the terms of any agreements made with such Holders pursuant to the Act, or in any way impair the rights and remedies of such Holders or the security for such Bonds until such Bonds, and all costs and expenses in connection with any action or proceeding by or on behalf of such Holders, are fully paid and discharged. The Act does not restrict the right of the State to amend, modify, repeal or otherwise alter statutes imposing or relating to the Personal Income Taxes, but such taxes payable to the Authority shall in all events continue to be so payable so long as any such taxes are imposed. Not less than 30 days prior to the beginning of each City fiscal year, the Chairperson of the Authority shall certify to the State Comptroller, the Governor, and the Directors of the

Authority a schedule of maximum annual debt service on the Bonds and Notes. To the extent that the Personal Income Taxes during such fiscal year are projected by the Mayor to be insufficient to meet at least 150% of maximum annual debt service on the Bonds, the Mayor shall so notify the State Comptroller and the State Comptroller shall pay to the Authority from Sales Taxes such amount as is necessary to provide at least 150% of such maximum annual debt service. The Act does not obligate the State to make any additional payments or impose any taxes to satisfy the debt service obligations of the Authority.

Pursuant to the Act, the City has made a pledge and agreement with the Holders of the Outstanding Bonds that the City will not limit or alter the rights vested in the Authority by the Act to fulfill the terms of any agreements made with such Holders pursuant to the Act, or in any way impair the rights and remedies of such Holders or the security for such Bonds until such Bonds, and all costs and expenses in connection with any action or proceeding by or on behalf of such Holders, are fully paid and discharged. The Act does not restrict any right the City may have to amend, modify or otherwise alter local laws imposing or relating to the Personal Income Taxes so long as, after giving effect to such amendment, modification or other alteration, the amount of Tax Revenues projected by the Mayor to be available to the Authority during each of its fiscal years following the effective date of such amendment, modification or other alteration shall be not less than 150% of maximum annual debt service on the Bonds.

The Authority has covenanted with the Holders of the Outstanding Bonds of this Series to comply with the financial reporting requirements of, and to limit its issuance of bond anticipation notes as required by, the Act as in effect from time to time.

The State has covenanted with the purchasers and with all subsequent Holders and transferees of the Bonds, in consideration of the acceptance of payment for the Bonds, that the Bonds and the income therefrom and all revenues, monies, and other property pledged to pay or to secure the payment of such Bonds shall at all times be free from taxation.

Neither the Directors of the Authority nor any person executing this bond shall be liable personally thereon or be subject to any personal liability or accountability solely by reason of the issuance hereof.

The bonds of this Subseries maturing after May 1, 2034 are subject to optional redemption or mandatory tender, in each case, at the option of the Authority prior to their stated maturity dates, in whole or in part, on any date on or after November 1, 2034 upon 30 days' notice, at a price of 100% of their principal amount plus accrued interest to such redemption or tender date.

The Bonds of this Subseries are subject to optional redemption or mandatory tender prior to their stated maturity dates at the option of the Authority, in whole or in part on any date prior to November 1, 2034, at a make-whole price equal to the greater of:

- (1) the issue price of the Bonds to be redeemed or tendered (but not less than par); and
- (2) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of such Bonds to be redeemed or tendered, not including any portion of those payments of interest accrued and unpaid as of the date on which such Bonds are to be redeemed or tendered, discounted to the date on which such Bonds

are to be redeemed or tendered on a semi-annual basis, assuming a 360-day year of twelve 30-day months, at the Treasury Rate (as defined below) plus basis points;

plus, in each case, accrued interest on such Bonds to be redeemed or tendered to the redemption or tender date.

“Treasury Rate” means, with respect to any redemption or tender date for a particular Bond of this Subseries, the yield to maturity as of such redemption or tender date of United States Treasury securities with a constant maturity (as compiled and published in the Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days, but not more than 60 calendar days, prior to the redemption or tender date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the redemption or tender date to the maturity date of the Bond of this Subseries to be redeemed or tendered.

The Authority may cause a mandatory tender of this bond on any date at the applicable optional redemption price by giving 10 days’ (30 days’ in the Fixed Rate Mode) Written Notice to the Holder, subject to the Authority’s providing a source of payment therefor in accordance with the Indenture and the Act.

The Authority may redeem or cause the mandatory tender of amounts, maturities and interest rates of Bonds that are subject to optional redemption in its sole discretion. If less than all of the Bonds of a maturity are called for prior redemption, the particular Bonds or portions thereof to be redeemed shall be selected on a pro rata pass-through distribution of principal basis in accordance with DTC procedures, provided that, so long as the Bonds are held in book-entry form, the selection for redemption of such Bonds shall be made in accordance with the operational arrangements of DTC then in effect, and, if the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, such Bonds will be selected for redemption, in accordance with DTC procedures, by lot.

The Bonds of this Subseries shall be redeemable upon the giving of notice, identifying such Bonds or portions thereof to be redeemed, by mailing or transmitting such notice to the registered owners thereof at their respective addresses shown on the registration books maintained by the Trustee at least 30 days and not more than 60 days prior to the date set for redemption. If notice of redemption shall have been given as aforesaid, the Bonds or portions thereof to be redeemed shall become due and payable at the redemption price on the redemption date designated in the notice of redemption, and interest thereon shall cease to accrue from and after the designated redemption date. Failure to mail or transmit any such notice to any registered owner or any defect in any notice so mailed or transmitted shall not affect the validity of the proceedings for redemption of the Bonds of other registered owners. If this bond is redeemed in part, upon surrender hereof, the Authority shall cause to be delivered to the registered owner a bond in like form in the principal amount equal to that part of this bond not being redeemed.

In the event that the Bonds of this Subseries are defeased to their maturity in the future, the Authority expects that such Bonds will remain subject to optional redemption by the Authority.

The Bonds of this Subseries are issuable only in fully registered form in the denomination (maturity value) of \$5,000 or any integral multiple thereof or as specified in the Indenture, and may not be converted into bearer bonds.

The Authority, the Trustee and each Paying Agent may treat the registered owner as the absolute owner of this bond for all purposes, notwithstanding any notice to the contrary. This bond is transferable by the registered owner hereof in accordance with the Indenture and the Act.

Upon the direction of the Authority, the Multi-Modal Bonds may be Converted pursuant to the Indenture.

Reference is made to the Indenture for the further terms of the Bonds, to all of which the Holder of this bond is conclusively deemed to assent. Terms defined in the Indenture are used herein as so defined. The Indenture is available for inspection at the office of the Trustee during business hours.

The respective covenants of the Authority, the City and the State with respect hereto shall be fully discharged and of no further force and effect at such time as this bond, together with interest thereon, shall have been paid in full at maturity, or shall have otherwise been refunded, redeemed, defeased or discharged.

IN WITNESS WHEREOF, the NEW YORK CITY TRANSITIONAL FINANCE AUTHORITY has caused this bond to be executed in its name by its Executive Director and attested by its Secretary by their facsimile signatures and its seal or a facsimile thereof to be impressed or imprinted hereon, all as of the 1st day of October, 2024.
