

## PEER – TO – PEER

★ A Dwyer Program ★

The PFC Joseph P. Dwyer Peer Support Program, first established by the State of New York during the 2012 – 2013 legislative session, aims to reduce veteran isolation and associated mental health issues by having veteran community members meet with fellow members in secure, veteran community members meet with fellow members in secure, comfortable settings; this helps them cope with emotional issues caused during or exacerbated by their military service. In essence, the program builds a unique healing community in which veterans and/or their loved ones integrate into a life-affirming support system, enabling them to successfully reset and acclimate to civilian life.
