**Citizens Committee For New York City
New Yorkers For Better Neighborhoods
Grant Application**

Spring Deadline: March 14, 2010

Fall Deadline: September 30, 2010

Have a great idea for a community improvement project? Apply for a New Yorkers for Better Neighborhoods Award!

Through New Yorkers for Better Neighborhoods, Citizens Committee for New York City awards grants of \$500 to \$3,000 for community improvement projects carried out by volunteer-led groups based in low-income neighborhoods through-out all five boroughs. We believe that people can make important change happen on their streets and in their communities by working together. We support New Yorkers across the city in their efforts to build stronger communities. In addition to small grants, we offer one-on-one project planning assistance, skills-building workshops, and a resource center with access to computer stations, conference space and an equipment loan library. We also bring people together to share ideas, experiences, and expertise.

As a part of the marketing campaign to create a greater awareness of the adult education program, The Rosa Boyd Learning Center is distributing information on the Adult External Diploma Program (EDP). This is a state sponsored program that allows adults to earn a high school diploma through the State of New York Department of Education. In comparison to the GED's high school curriculum, EDP participants must demonstrate a variety of skills commonly developed through work and life experiences as well as academic skills involving math, reading and writing. The following highlights several aspects of the Adult External High School Diploma Program.

- A self-directed program: clients can take up to twelve months to complete the program.
- No classes: work is done at home and at weekly appointments at the EDP center.
- No exam at the end of program: clients' work is evaluated and feedback is given on a continuous basis.
- Free drop-in tutoring: day and evening is available. Clients meet with an advisor/ assessor one day or evening a week for approximately an hour.

**DEPARTMENT OF CITY PLANNING
CITY OF NEW YORK**

The Department of City Planning (DCP) has a Language Access Plan for increasing access to technical services for Limited English Proficiency (LEP) persons.

NEW WEBSITE SERVICES

The Department's website and resources can now be easily accessed in any language through Google-powered "Translate" feature located on the lower-left hand side of our Department's homepage www.nyc.gov/planning. Through this technical improvement, DCP has made available the vast wealth of DCP online resources, including details on active DCP projects, City Planning Commission calendars, reports, and even the text of the Zoning Resolution. In addition, special documents explaining the land use process will be translated manually on a rolling basis in the six foreign languages most commonly spoken in New York City. Many Spanish documents are already available at <http://www.nyc.gov/html/dcp/html/about/spanish.html>.
