You are invited to host a **FREE** informative booth at Arts in Bushwick's

Bushwick Open Studios Community Day Festival

Maria Hernandez Park

Sunday, June 2nd from 11am-4pm.

Once a year, local artists and community members open their doors for Bushwick Open Studios (BOS), a weekend long arts festival hosted by [Arts in Bushwick](#) (AiB). This year, AiB is hosting a unique Bushwick Open Studios (BOS) event to bring the neighborhood together and encourage families and friends to learn more about the organizations, individuals and artists that represent our community.

WHO CAN PARTICIPATE?

Community Organizations and Local Artists

- We are searching for Bushwick community organizations to host informative booths alongside displays by local volunteer artists.
- We are also searching for fun, family-friendly activities and performances for the center circle of the park.
- Our goal is to create a fun family atmosphere for neighbors and visitors to learn more about the Bushwick community and the services your organization offers.
- We would love to discuss this more with you in person or over the phone if you would like.

ABOUT AIB

Arts in Bushwick is an all-volunteer organization that serves and engages artists and other neighborhood residents through creative accessibility and community organizing. It is our goal to create an integrated and sustainable neighborhood, and to bring together all Bushwick residents and stakeholders to counter development-driven displacement.

We are thrilled to be a part of projects with partners in the community such as:

- EcoStation:NY
- The Living Gallery
- Uproar Art
- The Moore Street Retail Market and Brooklyn Economic Development Council
- Beacon Center for Arts and Leadership and the Coalition for Hispanic Family Services
- Among others!

To register your organization and participate in the Community Day Festival, please contact:

community@artsinbushwick.
