

What's Happening Here?

Construct New Sidewalk

Implement Daylighting

20th Rd., 35th St. to 36th St.
Pedestrian Safety Improvements

Build Out Pedestrian Network

Add Pedestrian Accessibility

NYC DOT will implement pedestrian safety improvements on 20th Rd. between 35th St. and 36th St.:

- Construct a new ADA-compliant concrete sidewalk adjacent to Lawrence Cemetery
- Repurpose 6 parking spaces along the south curb to create a new sidewalk
- Add daylighting at the intersection

Implementation begins May 2024
