

Ed Koch Queensboro Bridge Bicycle Connections

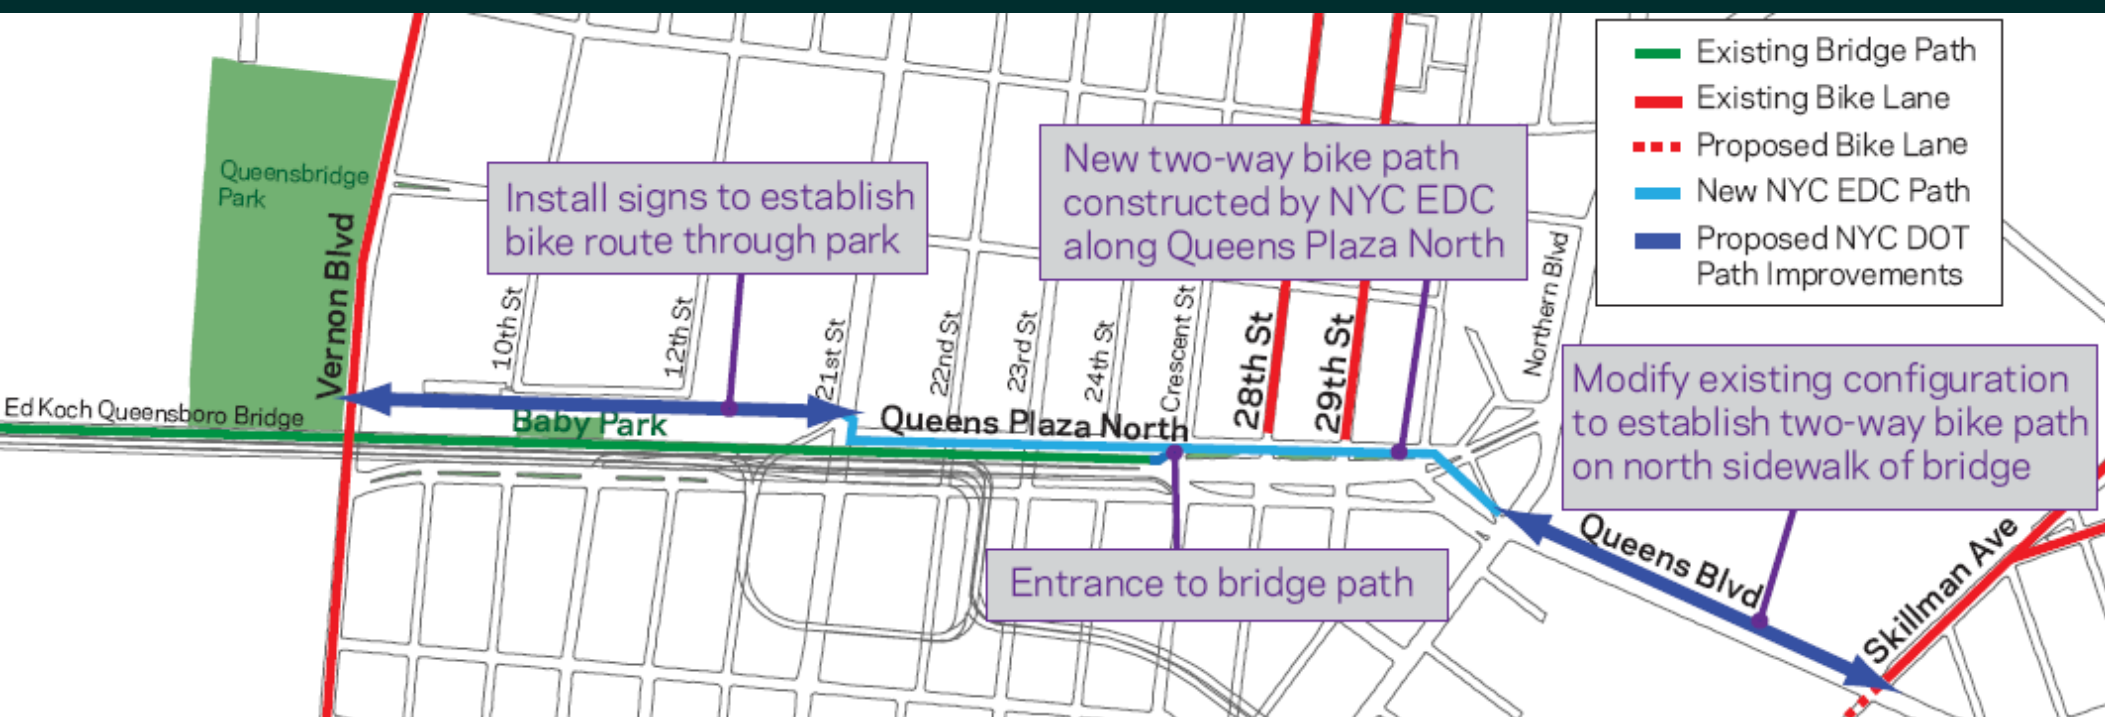

Fall
2011

Project Background

NYC EDC Project – Installed Summer 2011

- New Bicycle Path from 21st St to Queens Boulevard
- Connects to Bike/Pedestrian Entrance to Queensboro Bridge

Proposed DOT Improvements

- Connect Queens Plaza North Path to Vernon Boulevard via Baby Park
- Reconfigure Queens Boulevard Bridge Bike/Pedestrian Paths
- Update Signs to Direct Cyclists to the New Facilities

Queens Plaza North Path (EDC)

Between 24th St and 23rd St, facing west

Queensbridge Baby Park Path

Near 21st St entrance, facing west

Existing Conditions – Queens Blvd Bridge

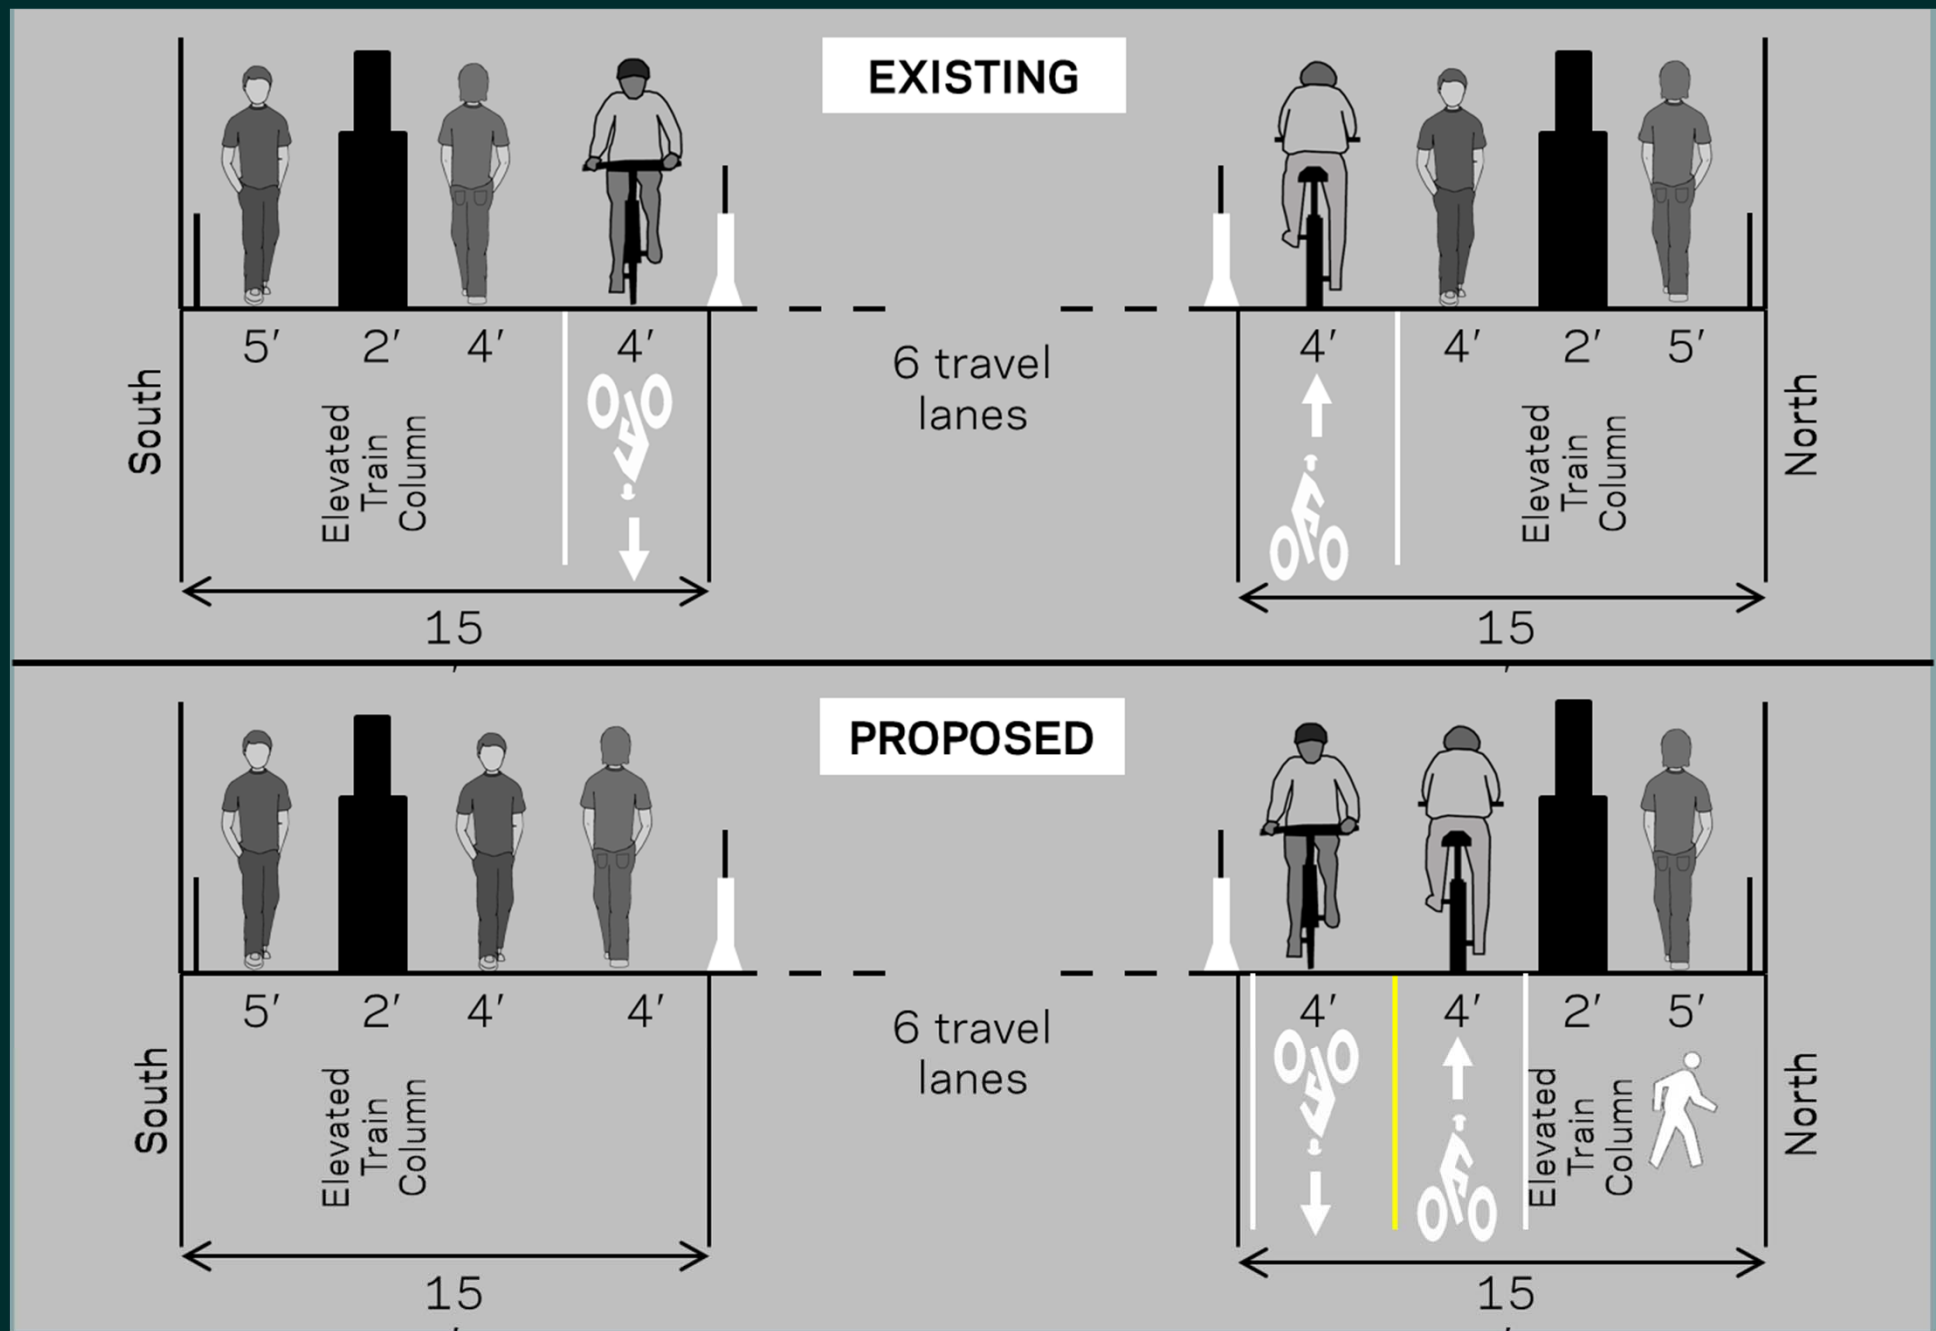

North sidewalk, facing west

South sidewalk, facing west

Proposed Configuration – Queens Blvd Bridge
