## Astoria to Corona Bike Tour (5.6 Miles)

New York/New Jersey is proud to be a host region for the 2026 FIFA World Cup™. To celebrate, NYC DOT has created a series of self-guided bike rides through some of the city's most culturally vibrant neighborhoods.

The South Africa vs. Mexico match takes place on June 11th, 2026, at 3 PM. Join friends and neighbors at the NYC DOT Soccer Streets Watch Party, hosted at 34th Avenue Plaza in Jackson Heights!

This 5.6-mile self-guided ride begins at Socrates Sculpture Park in Astoria, Queens. Then, travel down 31st Avenue, a recently upgraded bike boulevard featuring a two-way bike path, traffic calming measures, and pedestrian improvements. Continue onto 34th Avenue, Queens' first permanent Open Street.

The ride continues to Flushing Meadows-Corona Park, where you can visit the iconic Unisphere, a centerpiece of the 1964–65 New York World's Fair that drew visitors from around the world. Nearby, Corona Plaza, established in 2012 and redesigned in 2019, serves as a lively gathering space for recreation, commerce, and cultural performances by Mexican organizations. The plaza is home to a food market with a variety of vendors, and each November the Queens Economic Development Corporation hosts a Día de Muertos (Day of the Dead) celebration there.

Enjoy the ride!
