What's Happening Here?

Battery Place between Broadway and West Street Bus Improvements

Improve Bus Travel Times

Improve Bus Reliability

Improve Bus Access to
Brooklyn Battery Tunnel

Organize Vehicle Movements

NYC DOT will implement bus improvements on Battery Place from Broadway to West Street:

- Add westbound curbside bus lane between Broadway and West Street
- Between Washington Street and West Street only, install flexible plastic posts to separate westbound bus lane from general traffic lanes
- Install new right-turn bus queue jump signal from Battery Place onto West Street all vehicles are still permitted to make this turn
- Improvements will make express bus service in Lower Manhattan faster and more reliable as New York City continues its phased reopening

Implementation begins in May

Existing:
Battery Pl. at West St.

Proposed:
23rd St. at Sixth Ave.
