

2008 INVENTORY LOCATION MAPS

Eight years ago, we added a new feature to the Inventory Location Maps; Community Board borders. With this added feature, the reader will be able to identify within which Community Board bridges are located.

On these maps, all Community Boards consist of three (3) digits. The first digit is for map plotting purposes. The next two digits identify the Community Board. In cases of certain parks and airports, the Community Board number does not correspond with any Community Board. These exceptions are:

Bronx	26=Van Cortlandt Park	Brooklyn	55=Prospect Park
	27=Bronx Park		56=Gateway Nat'l Rec. Area/Floyd Bennett Field
	28=Pelham Bay Park	Queens	80=La Guardia Airport
Manhattan	64= Central Park		81=Alley Pond Park
			82=Cunningham Park
			83=JFK Airport
			84= Gateway Nat'l Rec. Area/Fort Tilden-Jacob Riis Park

The Community Board listings correspond to those listed in the inventory, which begins on page 209.

Some structures fall on Community Board dividing lines: their additional Community Boards are now identified in the inventory in columns CD2 and CD3.

Brooklyn, Manhattan, and Williamsburg Bridges.
