

What's Happening Here?

Improve Safety

Create Slower, Safer Turns

Broadway, Lafayette Ave. and Patchen Ave. Pedestrian Safety Improvements

Improve Pedestrian Space

Shorten Crossing Distances

NYC DOT will implement pedestrian safety improvements at the intersection of Broadway, Lafayette Ave. and Patchen Ave.:

- Close Patchen Ave. slip lane and convert into pedestrian space
- Add turn and through travel lanes on Lafayette Ave. at Kossuth Pl. and Patchen Ave.
- Widen Kossuth Pl. slip lane to accommodate two travel lanes
- Upgrade all crosswalks to high visibility crosswalks
- Upgrade all pedestrian ramps to ADA compliance

Implementation starts May 2021
