

What's Happening Here?

Shorten Pedestrian Crossings

Organize Traffic Flow

Dumont Ave., Fountain Ave. to Shepherd Ave.
School Safety Improvements

Enhance Pedestrian Safety

Improve Accessibility

NYC DOT will implement street safety improvements on Dumont Ave. between Fountain Ave. and Shepherd Ave.:

- Install painted curb extensions to shorten crossing distances and slow turns on Dumont Ave. at New Lots Ave. and Montauk Ave.
- Expand pedestrian space at New Lots Ave. and Atkins Ave.
- Install new crosswalk on New Lots Ave. at Dumont Ave.
- Install painted curb extensions on Dumont Ave. at Sheffield St., Berriman St. and Logan St.

Implementation begins in Spring 2022

Existing:
Dumont Ave. and New Lots Ave.

Proposed:
Nassau Ave. and Bedford Ave.
