Fordham Area Bike Network Bicycle Lane Network Expansion

Calm Traffic

Improve Connections
to Parks

NYC DOT will implement bicycle safety improvements to expand the bike lane network and create new neighborhood connections in Community Districts 3, 4, 5, 6 and 7.

- Routes were selected in Bronx Citi Bike expansion area to improve safety and support ridership
- Upgrade existing crosswalks to high-visibility crosswalks
- Add new markings to narrow the road to calm traffic and reduce speeding

Implementation begins in May
