

GATES PLAZA

UPDATES

- Based on community feedback, Gates Ave between Vanderbilt Ave and Clinton Ave will remain as a two-way street. The block includes neckdowns to slow traffic and shorten pedestrian crossings.
- Based on community feedback, overall parking impact is approx. 13 spaces, reduced from 21 spaces in the original proposal.
- Shortened pedestrian crossings incorporated on Claremont Ave, Vanderbilt Ave, and Gates Ave.
- Graphic pattern to be painted on the plaza for the first season.
- DOT will work closely with The Horticultural Society of New York on a planting palette for the planters.
