

Hogan Place

Pedestrian Safety Improvements

Background

- Hogan PI is in a Vision Zero Priority Area
- Request from the New York County District Attorney's Office for midblock crossing on Hogan PI due to frequent crossings between 1 Hogan Place and 80 Centre Street
- Community complaints of double parking and speeding
- Frequent deliveries and films crews
- High concentration of older adults (10,001 – 15,000 per square mile)

Location

- Adjacent to NYC municipal buildings and public parks
- M22 bus on Worth St
- Between Canal St (N,Q, J, Z & 6) and Chambers St (J,Z,4,5 & 6) subways

Before Conditions: Hogan PI, Manhattan

Improvements

- Add mid-block stop sign and high visibility crosswalk on Hogan PI between Baxter St and Centre St
- Upgrade crosswalks to high visibility
- Copied from SIP
- Add parking lane stripes on Hogan PI and Baxter St between Centre St and Worth St
- Add ped ramps at new crossing on Hogan PI
- Change NSA zones adjacent to Columbus Park to Authorized Vehicle Parking Only

Benefits

- Reduces speeding and calms traffic
- Safer pedestrian crossing with improved visibility
- Increases pedestrian access
