

# Bike Walk

Temporary Path Detours  
July/11-Jan/12

# Manhattan Bridge

## Bike the Bridge

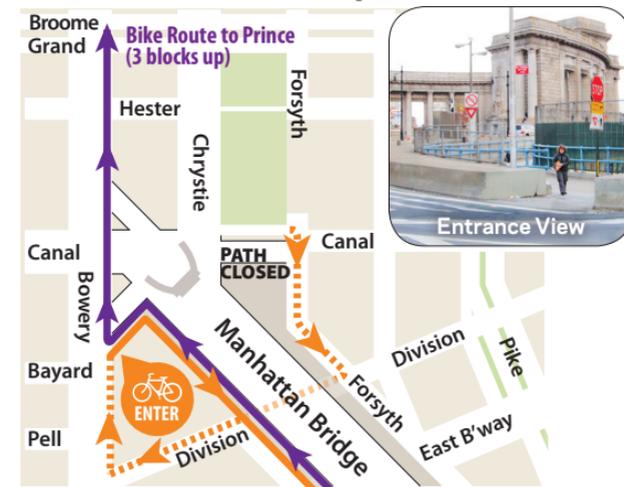

### Brooklyn to Manhattan

--- Detour

- Cyclists enter bridge using stairs at **Jay & Sands Sts near High St**, (former pedestrian path)
- Bike channels assist moving bikes between levels
- Alternative access is available via the ramp past the stairs

### Manhattan to Brooklyn

- Detour
- Brooklyn bound cyclists
- Manhattan bound cyclists exit bridge on **Bowers & bike north to Prince St**

Cyclists enter at **Bowers via Division St detour** (using former pedestrian path)

Contract No. 14, which began in January 2010, will include total replacement of all 628 bridge suspenders; main cable rewinding; replacement and upgrade of the necklace lighting; and installation of maintenance platforms at the bridge towers.
