

What's Happening Here?

Add Bike Lanes

Connect Greenways

Mid-Island
Bike Network Expansion

Improve Access to Parks

Calm Traffic

NYC DOT will implement bicycle safety improvements in the New Springville and Bulls Head neighborhoods on Staten Island:

- Add standard bike lanes and shared lanes on Merrill Ave., Morani St., Signs Rd., and Merry Mount St.
- Lengthen existing bike routes on Kelly Blvd., Travis Ave., and Rockland Ave.
- Connect Willowbrook Greenway to the bike network

Implementation will begin in Summer 2021

For additional information about this project, contact the NYC DOT Staten Island Borough Commissioner's Office at [212.839.2400](tel:212.839.2400) or visit our website: nyc.gov/dot
