

What's Happening Here?

New Pedestrian Crossings

New Bike Lanes

**Mosholu Pkwy. between Van Cortlandt Ave. E.
and Marion Ave./Hull Ave.**

Safety and Accessibility Improvements

Improve Visibility

Slower, Safer Turns

NYC DOT will implement safety and accessibility improvements on Mosholu Pkwy. between Van Cortlandt Ave. E. and Marion Ave./Hull Ave.:

- Install a new signal and build a concrete sidewalk mid-block between Van Cortlandt Ave. E. and Bainbridge Ave.
- Reduce number of lanes to two lanes in each direction on Mosholu Pkwy.
- Install protected bikes lanes on Mosholu Pkwy. between Van Cortlandt Ave. E. and Marion Ave./Hull Ave.
- Install enhanced crossings at E. 206 St. and E. 204 St.

Implementation begins May 2022

Existing:
Mosholu Pkwy. and Sedgwick Ave.

Proposed:
Conduit Blvd.,BK
