Existing Conditions

Existing Conditions

Proposal

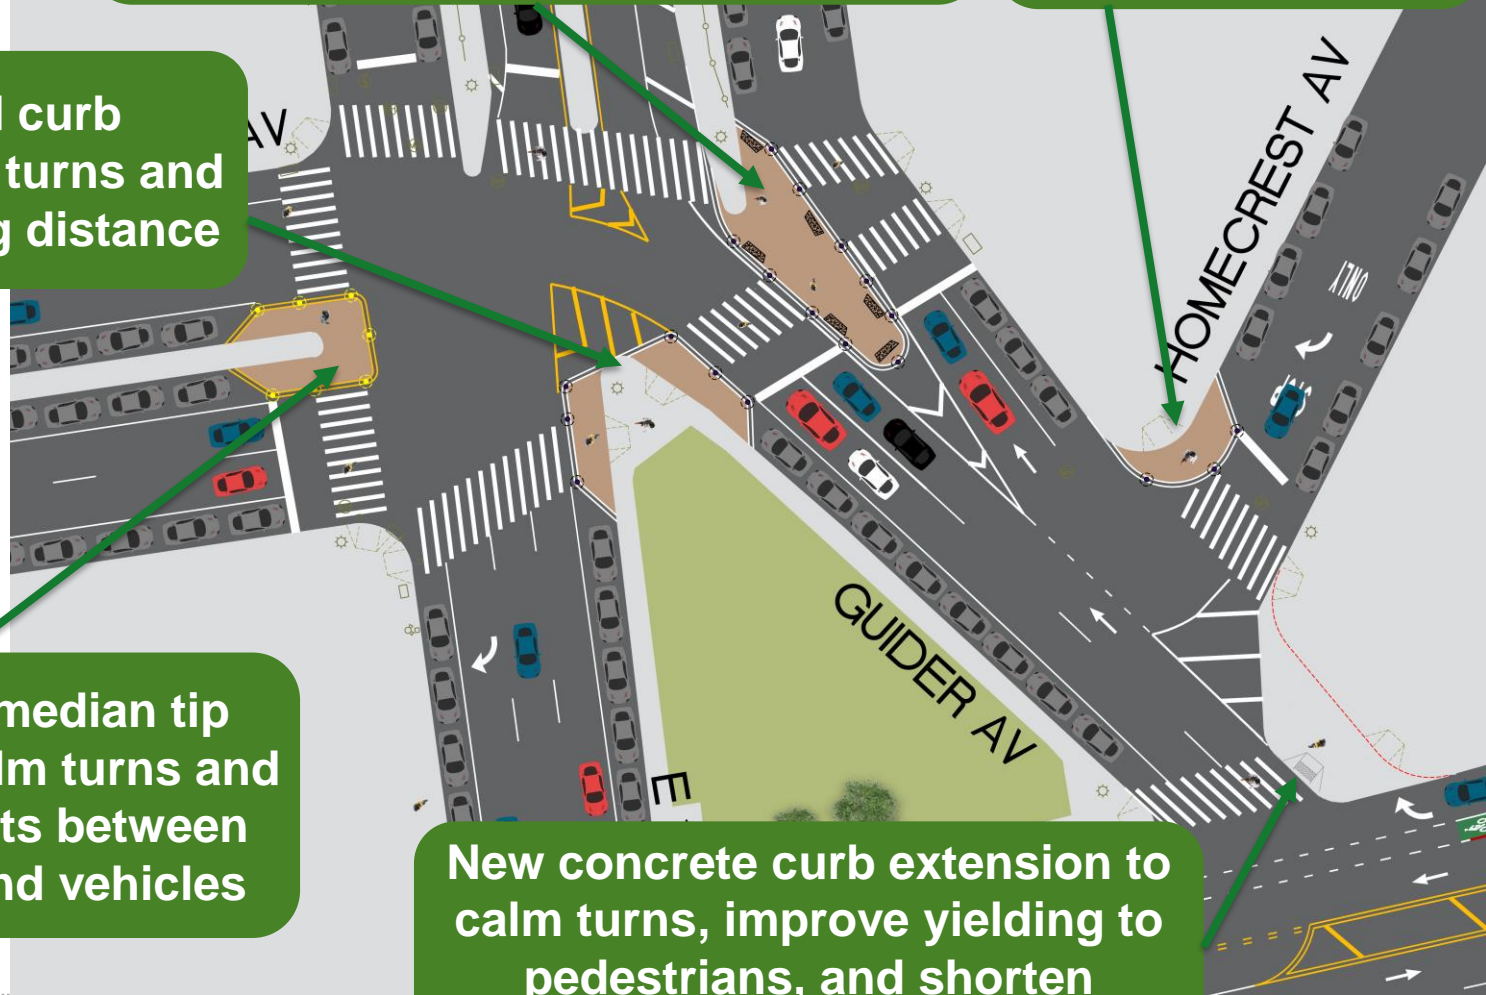

New, large painted median tip extension protected with granite blocks organizes traffic and provides substantial pedestrian refuge

New painted curb extension calms turns and shortens crossing distance

New painted curb extensions calm turns and shorten crossing distance

New painted median tip extension to calm turns and reduce conflicts between pedestrians and vehicles

New concrete curb extension to calm turns, improve yielding to pedestrians, and shorten crossing distance

Benefits Summary

- New painted and concrete pedestrian space
- Safer, shorter pedestrian crossings
- Organized vehicle traffic improves predictability
- Reduced conflicts between pedestrians and vehicles

*Existing Conditions: Guider Ave
& E 12 St, facing south*

Thank You!
