

Conklin Ave and E 96 St

Accessibility Improvements

Background

- Location with high pedestrian traffic near bus routes and commercial corridor
- Crossings marked on Conklin Ave by contractor error without signage or controls in 2018
- Community request for pedestrian improvements
- 172 pedestrians crossing in peak hour

Location

- Residential street one block away from commercial activity on Rockaway Pkwy
- B6, B42, B82, and B17 run along Flatlands Ave and Rockaway Pkwy

After: Conklin and E 96th St

Improvements

- Enhanced crossing at Conklin Ave and E 96th St

Benefits

- Increases visibility of pedestrians to approaching vehicles
- Formalizes pedestrian crossings
