Improve Bus Travel Times

Add Dedicated Bus Lanes

Story Ave., White Plains Rd. and Bronx River Ave. Transit Improvements

Organize Vehicle Movements

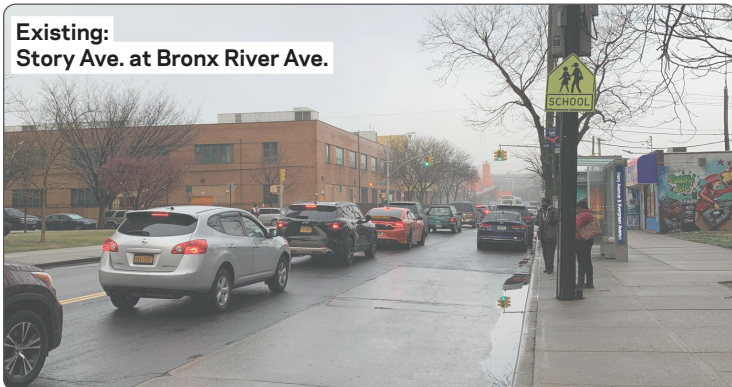

Improve Access to Destinations

NYC DOT will implement bus improvements along Story Ave., White Plains Rd., and Bronx River Ave.:

- Install curbside bus lanes on Story Ave. between Bronx River Ave. and White Plains Rd.
- Install offset bus lane (second lane away from the curb) on Bronx River Ave. between Story Ave. and Bruckner Blvd. S., northbound only
- Add a mix of curbside and offset bus lanes on White Plains Rd. between Bruckner Blvd. S. and Lafayette Ave.
- Curbside bus lanes are active Monday to Friday from 7am to 7pm; parking permitted at other times
- Offset bus lanes are active at all times
- Add angled parking to select blocks of Boynton Ave., Soundview Ave. and Taylor Ave.
- Consolidate bus stops along Story Ave. to improve bus speed and reliability

Implementation begins in August

Existing:
Story Ave. at Bronx River Ave.

Proposed:
